

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

INTRODUCTORY.

This compilation of the General School Laws includes all constitutional and statutory provisions relating to education at present in force. The amendments passed at the legislative sessions of 1887 and 1889 have been incorporated in the text, necessitating some slight changes in the arrangement followed in the edition of 1885. Act No. 222, Public Acts of 1887, relating to truancy, and Act No. 147, Public Acts of 1889, providing for free text-books, are added as new chapters. With these additions, and a slight change in numbering the compiler's sections in the latter part of the text, the general plan of the edition of 1885 has been closely followed.

The opinions of Attorneys General that have from time to time been filed in the office of the Superintendent of Public Instruction are given in foot notes, with references to the section or sections containing the provisions of law covered by the decision. It is believed that these decisions will prove of much assistance in arriving at a proper construction of the law, and will aid school officers very materially in solving many of the perplexing questions that continually arise.

The digest of Supreme Court decisions embodied in Appendix A has been brought up to date and the index carefully revised.

and shall transmit the same to the several officers intrusted with the care and management of said schools.

(§4.) SEC. 4. He shall semi-annually, on receiving notice from the auditor general of the amounts thereof, and between the first and tenth days of May and November, apportion the primary school interest fund among the several townships and cities of the State, in proportion to the number of children in each between the ages of five and twenty years, as the same shall appear by the reports of the several boards of school inspectors made to him for the school year closing prior to the May apportionment, and shall prepare a statement of the amount in the aggregate payable to each county, and shall deliver the same to the auditor general, who shall thereupon draw his warrant upon the State treasurer in favor of the treasurer of each county for the amount payable to each county. Proceedings in case of defective returns.

(§6.) SEC. 6. Whenever any county, township, city, or district, through failure or error in making the proper report, shall fail to receive its share of the primary school interest fund, the superintendent of public instruction, upon satisfactory proof that said county, township, city, or district was justly entitled to the same, shall apportion such deficiency in his next apportionment; and whenever it shall appear to the satisfaction of said superintendent that any district has had three months' school, but failed to have the full time of school required by law, through no fault or negligence of the district or its officers, he may include such district in his apportionment of the primary school interest fund in his discretion.

When deficiency may be apportioned the next year.

(§7.) SEC. 7. The superintendent of public instruction shall perform such other duties as are or shall be required of him by law, and at the expiration of his term of office deliver to his successor all property, books, documents, maps, records, reports, and all other papers belonging to his office, or which may have been received by him for the use of his office.

The township board of school inspectors shall divide the township into such number of school districts as may from time to time be necessary, which districts they shall number, and they may regulate and alter the boundaries of the same as circumstances shall render proper, subject to the provisions hereinafter made; but no district shall contain more than nine sections of land, and each district shall be composed of contiguous territory, and be in as compact a form as may be.

(§9.) SEC. 2. Whenever the board of school inspectors of any township shall form a school district therein, it shall be the duty of the clerk of such board to deliver to a taxable inhabitant of such district a notice in writing of the formation of such district, describing its boundaries, and specifying the time and place of the first meeting, which notice, with the fact of such delivery, shall be entered upon record by the clerk. The said notice shall also direct such inhabitant to notify every qualified voter of such district, either personally or by leaving a written notice at his place of residence, of the time and place of said meeting, at least five days before the time appointed therefor; and it shall be the duty of such inhabitant to notify the qualified voters of said district accordingly, and said inhabitant, when he shall have notified the qualified voters as required in such notice, shall indorse thereon a return, showing such notification with the date or dates thereof, and deliver such notice and return to the chairman of the meeting, to be by him delivered to the director chosen at such meeting, and by said director recorded at length as a part of the records of such district.

The annual reports of the director of such district shall be made to the inspectors of the township in which the school.

(83.) In *Clement vs. Everest*, 29 Mich., page 19, the Supreme Court decided that the legality of the action of the officers in organizing a school district cannot be enquired into collaterally; that it is none of the business of the township treasurer whether the district was or was not properly organized and that he must go on in the performance of his duties with respect thereto until such organization has been declared illegal on a proceeding instituted for that purpose.—*Kirchner, Atty. Gen., Aug. 30, 1878.*

Every school district shall, in all cases, be presumed to have been legally organized when it shall have exercised the franchises and privileges of a district for the term of two year; and such school district and its officers shall be entitled to all the rights, privileges, and immunities, and be subject to all the duties and liabilities conferred upon school districts by law.

(§ 20.) SEC. 13. Such proportion shall be ascertained and determined according to the value of the taxable property of the respective parts of such former district at the time of the division, by the best evidence in the power of the inspectors; and such amount of any debt due from the former district, which would have been a charge upon the new, had it remained in the former district, shall be deducted from such proportion: *Provided*, That no real estate thus set off, and which shall not have been taxed for the purchase or building of such school-house,

Disorderly persons at district meetings to be taken into custody.

(§26.) SEC. 19. If at any district meeting any person shall conduct himself in a disorderly manner, and, after notice from the moderator or person presiding, shall persist therein, the moderator or person presiding may order him to withdraw from the meeting, and on his refusal, may order any constable, or other person or persons, to take him into custody until the meeting shall be adjourned; and any person who shall refuse to withdraw from such meeting on being so ordered as herein provided, and also any person who shall willfully disturb such meeting by rude and indecent behavior, or by profane or indecent discourse, or in any other way make such disturbance, shall, on conviction thereof, be punished by a fine not less than two nor more than fifty dollars, or by imprisonment in the county jail not exceeding thirty days; and any justice of the peace, recorder, or police justice of the township, ward, or city where such offense shall be

Powers of voters at district meetings.

First, At the first meeting and at any meeting after the organization of the district, in the absence of the moderator, to appoint a chairman for the time being, and in the absence of the director to appoint some person to act in his stead, who shall keep a minute of the proceedings of such meeting and certify the same to the director, to be by him entered in the records of the district;

To appoint temporary officers.

Second, To adjourn from time to time as occasion may require;

May adjourn.

Third, To elect district officers as hereinafter provided;

To designate sites for school-houses. See § 59.

Fifth, To direct the purchasing or leasing of a site or sites, lawfully determined upon; the building, hiring, or purchasing of a school-house or houses, or the enlarging of a site or sites previously established;

To direct purchase, etc., of site, and building school-houses.

Sixth, To vote such tax as the meeting shall deem sufficient, to purchase or lease a site or sites, or to build, hire or purchase a school-house or houses; but the amount of taxes to be raised in any district for the purpose of purchasing or building a school-house or houses in the same year that any bonded indebtedness is incurred, shall not exceed in districts containing less than ten children between the ages of five and twenty years, two hundred and fifty dollars; in districts having between ten and thirty children of like age, it shall not exceed five hundred dollars; and in districts having between thirty and fifty children of like age, it shall not exceed one thousand dollars. Seventh, To impose such tax as shall be necessary to keep their school-house or houses in repair, and to provide the necessary appendages and school apparatus, and in districts having district libraries, for the support of the same, and to pay and discharge any debts or liabilities of the district lawfully incurred, and also to pay for the services of any district officer. (§27, par. fifth). [In relation to power of school district to acquire land for enlargement of site]. It seems the owner of the land refuses to sell, and the question arises as to the proper method of obtaining such land for the enlargement of the site. I find nothing whatever in the act, save that in Chapter VIII, section 2 *et seq.*, and this says nothing whatever about the enlargement of sites; yet land for enlargement is, I think, within the meaning of the act, and as there are no other provisions of law by which to obtain an enlarged site, where the owner refuses to sell, it is advisable to proceed thereunder, and if it does not cover cases of enlargement of site, let the courts so decide and the law must then be amended.—*Van Riper, Atty. Gen., March 21, 1892.*

May appoint building committee.

At annual meeting to determine limit of school.

Eighth, To authorize and direct the sale of any school-house, site, building or other property belonging to the district, when the same shall no longer be needed for the use of the district;

Ninth, To give such directions and make such provisions as they shall deem necessary in relation to the prosecution or defense of any suit or proceeding in which the district may be a party, or interested;

Tenth, To appoint, as in their discretion it may be necessary, a building committee to perform such duties in supervising the work of building a school-house as they by vote may direct;

Eleventh, At the first and the annual meetings only, to determine the length of time a school shall be taught in their district during the ensuing year, which shall not be less than nine months in districts having eight hundred children over five and under twenty years of age, and not less than five months in districts having from thirty to eight hundred children of like ages, nor less than three months in all other districts, on pain of forfeiture of their share of the one-mill tax and primary school interest fund; but in case such matters shall not be determined at the first or annual meetings, the district board shall determine the same; and in case the district fails to vote for at least the minimum length required herein, the district board shall make provisions for said minimum length of school;

Twelfth, To appropriate any surplus moneys arising from the one-mill tax, after having maintained a school in the district at least eight months in the school year, for the purpose of purchasing and enlarging school sites, or for building or repairing school-houses, or for purchasing books for library, globes, maps, and other school apparatus, or for any incidental expenses of the school.

DISTRICT BOARD AND OFFICERS.

Election of district officers.

See App. A.,

Term of office.

(§28.) SECTION 1. At the first meeting in each school district there shall be elected by ballot a moderator for the term of three years, a director for two years, and an assessor for one year; and on the expiration of their respective terms of office, and regularly thereafter at the annual meetings, their several successors shall be elected in like manner for a term of three years each. The time intervening between the first meeting in any school district and the first annual meeting thereafter shall be reckoned as one year.

(§27, paragraph eight.)—All sales thus made shall be in the corporate name of the school district, as provided in section 7, chapter 2, of said act 184, while the deed or deeds of the conveyance of lands sold as above provided, shall be executed by the district board in their official capacity, but in the name of such district.—*Van Riper, Atty. Gen., July 24, 1889.*

(§25.) School district officers cannot be elected by a bare plurality vote. In electing officers the school district acts in its corporate capacity, and no corporate action can be had without the concurrence of the majority.—*Kirchner, Atty. Gen., July 18, 1877.*

(§29.) SEC. 2. A school district office shall become vacant upon the occurrence of any of the following events:

When district offices shall become vacant.

First, The death of the incumbent;

Second, His resignation;

Third, His removal from office;

Fourth, His removal from the district;

Fifth, His conviction of any infamous crime;

Sixth, His election or appointment being declared void by a competent tribunal;

Seventh, His neglect to file his acceptance of office, or to give or renew any official bond, according to law.

(§30.) SEC. 3. In case any one of the district offices becomes vacant, the two remaining officers shall immediately fill such vacancy; or in case two of the offices become vacant, the remaining officer shall immediately call a special meeting of the district to fill such vacancies; in case any vacancy is not filled as

herein provided within twenty days after it shall have occurred, or in case all the offices in a district shall become vacant, the board of school inspectors of the township to which the annual reports of such district are made shall fill such vacancies. Any person elected or appointed to fill a vacancy in a district office shall hold such office until the the next succeeding annual meeting, at which time the voters of the district shall fill such office for the unexpired portion of the term.

See App. B., forms 14, 15.

(§31.) SEC. 4. Any qualified voter in a school district who has property liable to assessment for school taxes shall be eligible to election or appointment to office in such school district, unless such person be an alien.

Who are eligible to hold office.

(§32.) SEC. 5. Within ten days after their election or appointment, the several officers of each school district shall file with the director written acceptances of the offices to which they have been respectively elected or appointed, and such acceptances shall be entered in the records of the district by said director.

Acceptances of offices to be filed.

See App. B., form 5.

(§33.) SEC. 6. The moderator, director, and assessor shall constitute the district board. Meetings of the board may be called by any member thereof by serving on the other members a written notice of the time and place of such meeting at least twenty-four hours before such meeting is to take place; and no act authorized to be done by the district board shall be valid unless voted at a meeting of the board. A majority of the members of the board at a meeting thereof shall be necessary for the transaction of business.

District board, when meetings of, may be called.

Necessity of meeting to valid action by board. Quorum of board.

(§29.) The temporary absence of the assessor does not create a vacancy in the office. If his family continues to reside in the district, and he has not actually removed, he retains his residence and with it his office. A removal is necessary, and a temporary absence, his family remaining, is not a removal, and there is no vacancy.—*Van Riper, Atty. Gen., Feb. 8, 1889.*

(§33.) The district board should act together. It is not necessary for valid official action that all the members should be consulted, but opportunity must be given to all the members to express their opinion and to vote upon the questions submitted to them.—*Kirchner, Atty. Gen., Dec. 4, 1877.*

(§33.) Whenever a power is vested in a board for a public purpose, it requires a quorum to act and a majority of that quorum to determine a matter before it.—*Kirchner, Atty. Gen., Apr. 7, 1879.*

The said district board shall purchase a record book and such other books, blanks, and stationery as may be necessary to keep a record of the proceedings of the district meetings and of meetings of the board, the accounts of the assessor, and for doing the business of the district in an orderly manner.

(§35.) SEC. 8. The district board shall purchase or lease, in the corporate name of the district, such sites for school-houses as shall have been lawfully designated, and shall build, hire, or purchase such school-houses as may be necessary out of the fund provided for that purpose, and make sale of any site or other property of the district when lawfully directed by the qualified voters; but no district in any case shall build a stone or brick school-house upon any site without having first obtained a title in fee to the same, or a lease for ninety-nine years; nor shall any district build a frame school-house on any site for which they have not a title in fee or a lease for fifty years, without securing the privilege of removing the said school-house when lawfully directed so to do by the qualified voters of the district at any annual or special meeting when lawfully convened.

(§36.) SEC. 9. It shall be the duty of the district board to estimate the amount necessary to be raised, in addition to other school funds, for the entire support of such schools, including teachers' wages, fuel, and other incidental expenses, and for deficiencies of the previous year for such purposes. But in districts having less than thirty scholars, such estimate, including the district's share of the primary school interest fund and one-mill tax, shall not exceed the sum of fifty dollars a month for the period during which school is held in such district; and when such amount has been estimated and voted by the district board, it shall be reported for assessment and collection, the same as other district taxes. When a tax has been estimated and voted by the district board under the provisions of this section, and is needed before it can be collected, the district board may borrow to an amount not exceeding the amount of said tax.

(§37.) SEC. 10. The district board shall, between the first and third Mondays in September in each year, make out and deliver to the township clerk of each township in which any part of the district is situated, a report in writing under their hands of all taxes voted by the district during the preceding year, and of all taxes which said board is authorized to impose, to be levied on the taxable property of the district.

(§38.) SEC. 11. The district board shall apply and pay over all school moneys belonging to the district, in accordance with the provisions of law regulating the same, and no money raised by district tax shall be used for any other purpose than that for which it was raised, without a consenting vote of two-thirds of

the tax-paying voters of the district; and no moneys received from the primary school interest fund, nor from the one-mill tax except as provided by law shall be appropriated to any other use than the payment of teachers' wages, and no part thereof shall be paid to any teacher who shall not have received a certificate of qualification from proper legal authority before the commencement of his school. No school district shall apply any of the moneys received by it from the primary school interest fund, or from any and all other sources, for the support and maintenance of any school of a sectarian character, whether the same be under the control of any religious society, or made sectarian by the school district board.

Sectarian schools barred from public moneys.

(§39.) SEC. 12. Said board shall present to the district, at each annual meeting, a report in writing, containing an accurate statement of all moneys of the district received by them, or any of them, during the preceding year, and of the disbursements made by them, with the items of such receipts and disbursements. Such report shall also contain a statement of all taxes assessed upon the taxable property of the district during the preceding year, the purposes for which such taxes were assessed, and the amount assessed for each particular purpose, and said report shall be entered by the director in the records of the district.

(§40.) SEC. 13. The district board shall hire and contract with such duly qualified teachers as may be required; and all contracts shall be in writing and signed by a majority of the board on behalf of the district. Said contracts shall specify the wages agreed upon and shall require the teacher to keep a correct list of the pupils, and the age of each, attending the school, and the number of days each pupil is present, and to furnish the director with a correct copy of the same at the close of the school. Said contract shall be filed with the director, and a duplicate copy of the contract shall be furnished to the teacher. No contract with any person not holding a legal certificate of qualification then authorizing such person to teach shall be valid, and all such contracts shall terminate, if the certificate shall expire by limitation and shall not immediately be renewed, or if it shall be suspended or revoked by proper legal authority. (§42.) SEC. 15. The district board shall specify the studies to be pursued in the schools of the district [districts], and in addition to the branches in which instruction is now required by law to be given in the public schools of the State, instruction shall be given in physiology and hygiene with a special reference to the nature of alcohol and narcotics and their effects upon the human system. Such instruction shall be given by the aid of text-books in the case of pupils who are able to read and as thoroughly as in other studies pursued in the same school. The text-books to be used for such instruction shall give at least one-fourth of their space to the consideration of the nature and effects of alcoholic drinks and narcotics, and the books used in the highest grade of graded schools shall contain at least twenty pages of matter relating to this subject. Text-books used in giving the foregoing instruction shall first be approved by the State Board of Education. Each school board making a selection of text-books under the provisions of this act shall make a record thereof in their proceedings and text-books once adopted under the provisions of this act shall not be changed within five years except by the consent of a majority of the qualified voters of the district present at an annual meeting or at a special meeting called for that purpose. The district board shall require each teacher in the public schools of such district, before placing the school register in the hands of the directors [director] as provided in section thirteen of this act, to certify therein whether or not instruction has been given in the school or grade presided over by such teacher, as required by this act, and it shall be the duty of the director of the district to file with the township clerk a certified copy of such certificate. Any school board neglecting or refusing to comply with any of the provisions of this act, shall be subject to fine or forfeiture the same as for neglect of any other duty pertaining to their office. This act shall apply to all schools in the State, including schools in cities or villages, whether incorporated under special charter or under the general laws.⁴

(§43.) SEC. 16. The district board may purchase at the expense of the district, such text-books as may be necessary for the use of children when parents are not able to furnish the same, and they shall include the amount of such purchase in the report to the township clerk or clerks, to be levied in like manner as other district taxes.

(§44.) SEC. 17. The district board shall have the general care of the school, and shall make and enforce suitable rules and regulations for its government and management, and for the preservation of the property of the district. Said board may authorize or order the suspension or expulsion from the school, whenever in its judgment the interests of the school demand it, of any

Second, To countersign all orders legally drawn by the director upon the assessor for moneys to be disbursed by the district, and all warrants of the director upon the township treasurer for moneys raised for district purposes, or apportioned to the district by the township clerk;

(§ 48.) SEC. 21. It shall be the duty of the director of each school district:

Director.

First, To act as clerk, when present, at all meetings of the district and of the board;

To be clerk.

(§ 44.) It is not competent for the district board to assume the expense incurred in the legal defense of a teacher prosecuted for an assault alleged to have been made in the punishment of a pupil.—*Kirchner, Attorney General, Dec. 4, 1877.*

(§ 45.) The domicile of any person is the place which he has chosen for his permanent residence. Sometimes the law makes a distinction between "residence" and "domicile." Residence, contra distinguished from domicile, is the locality in which a person may reside for the time being. But in the case under consideration the term residence is used in the sense of domicile. I have no doubt that a person who makes Flint his or her home for no other purpose than to enjoy school privileges and with the intention of removing to his or her former home after the closing of the school is "but actually a resident of said district." A minor having parents living partakes of the domicile of his or her parents.—*Kirchner, Attorney General, Jan. 26, 1879.*

(§ 47.) The moderator should examine every order before countersigning it, and if it is drawn for an improper purpose, and with intent to defraud the district or to divert the fund from its proper channel, he should refuse to countersign such order, and the courts will sustain him in such action.—*VanRiper, Attorney General, Feb. 8, 1889.*

Ninth, To preserve and file copies of all reports made to the school inspectors, and safely preserve and keep all books, papers, and other documents belonging to the office of director, or to the district when not otherwise provided for, and to deliver the same to his successor in office;

Tenth, To perform such other duties as are or shall be required of the director by law or the district board.

(§49.) SEC. 22. It shall be the duty of the director, or such other person as the district board may appoint, within ten days next previous to the first Monday in September in each year, to take the census of the district, and make a list in writing of the names and ages of all the children between the ages of five and twenty years residing therein, and a copy of said list shall be

(§48, paragraph six.) I think the director has power to provide new patent seats, if in his judgment such acquisition is "necessary." It is a general principle of law that whenever a power may be exercised by any person in certain emergencies, in the absence of any provision to the contrary, the person who is to execute the power must decide whether the emergency is sufficient for him to act. The director must decide what is necessary and he is responsible for any abuse of power. The word "necessary" as used in Sec. 48, must not be understood in its literal sense, i. e. things that cannot be done without. In such a sense none of the conveniences and apparatus found in schools would be necessary. I take it that all such things are necessary which in the judgment of the director would promote the efficiency and welfare of the school, having due regard to all the circumstances of the case.—*Kirchner, Atty. Gen., July 31, 1877.*

Children in almshouses, prisons, or asylums, not otherwise residents of the district, and not attending the school, shall not be included in the said census; nor shall Indian children be so included unless they attend the school, or their parents are liable to pay taxes therein.

(§50.) SEC. 23. The directors shall also, at the end of the school year, and previous to the second Monday in September in each year, deliver to the township clerk, to be filed in his office, a report to the board of school inspectors of the township, showing:

To make annual reports to inspectors.

First, The whole number of children belonging to the district between the ages of five and twenty years, according to the census taken as aforesaid;

Second, The number attending school during the year under five, and also the number over twenty years of age;

Third, The number of non-resident pupils of the district that have attended school during the year;

Fourth, The whole number that have attended school during the year;

Fifth, The length of time the school has been taught during the year by a qualified teacher, the name of each teacher, the length of time taught by each, and the wages paid to each.

Sixth, The average length of time scholars, between five and twenty years of age, have attended school during the year;

Seventh, The amount of money received from the township treasurer apportioned to the district by the township clerk;

Eighth, The amount of money raised by the district, and the purposes for which it was raised;

Ninth, The kind of books used in the school;

Tenth, Such other facts and statistics in regard to the schools and the subject of education as the superintendent of public instruction shall direct.

(§51.) SEC. 24. The director of each fractional district shall make his annual report to the clerk of the township in which the school-house is situated, and shall also report to the clerk of each township in which the district is in part situated, the number of children between the ages of five and twenty years in that part of the district lying in such township.

Said bond shall be filed with the director, and in case of any breach of the condition thereof, the moderator shall cause a suit to be commenced thereon in the name of the district, and any moneys collected thereon shall be paid into the township treasury, subject to the order of the district officers, and shall be applied to the same purposes as the moneys lost should have been applied by the assessor;

To deliver to his successor books, papers, etc.	<i>Sixth,</i> At the close of his term of office to settle with the district board, and deliver to his successor in office all books, vouchers, orders, documents, and papers belonging to the office of assessor, together with all district moneys remaining on hand;
Other duties.	<i>Seventh,</i> To perform such other duties as are or shall be by law required of the assessor.

(§52.) The sureties on a bond executed by the assessor of the school district are not responsible for acts or omissions occurring beyond the period for which the assessor was elected. In case of his re-election a new bond should be given.—*Kirchner Atty. Gen., Dec. 4, 1877.*

(§52.) Mr. S. was elected to the office of assessor of a school district and gave the requisite bonds. Since his first election he has been re-elected but has never executed any additional bonds. He has never been requested so to do by the moderator and director. Latterly the director requested him to execute an official bond and S. replied that he could not do so just then, and thereupon and without any further proceedings the district treated the office of assessor as vacant and proceeded at once to an election to fill said supposed vacancy. I am entirely clear that Mr. S. has not forfeited his office and that he is not only justified, but it is his duty not to pass over any of the papers pertaining to the office or any of the school district moneys. But Mr. S. should give bonds at once. Both the director and moderator were derelict in their duty in failing to require the bond of the assessor at the outset. After filing the bond Mr. S. should continue to administer the office of assessor.—*Kirchner, Atty. Gen., Sept. 18, 1879.*

CHAPTER IV.

TOWNSHIP OFFICERS.

TOWNSHIP BOARD OF SCHOOL INSPECTORS.

(§53.) SECTION 1. The school inspectors of each township, together with the township clerk, shall constitute the township board of school inspectors. Said board shall meet within twenty days after the first Monday in April in each year, and elect one of their number, other than the township clerk, chairman of said board, and the township clerk shall be the clerk thereof.*

Board of school inspectors.

See §§ 141, 147.

(§54.) SEC. 2. The chairman of said board shall be the treasurer thereof, and shall give bond to the township in double the amount of moneys to come into his hands during his term of office, as near as the same can be ascertained, with two sufficient sureties, to be approved by the township clerk, conditioned for the faithful appropriation of all moneys that may come into his hands by virtue of his office. Said bond shall be filed with the township clerk, and in case of the non-fulfillment thereof, said clerk shall cause a suit to be commenced thereon, and the moneys collected in such suit shall be paid into the township treasury, and shall be applied to the same purposes as the moneys lost should have been applied by said treasurer of the board of school inspectors.

Chairman of board to be treasurer.

To give bond.

See App. B., form 12.

Bond to be filed.

When suit to be brought thereon.

(§55.) SEC. 3. On the third Monday in September in each year, the inspectors shall make triplicate reports, setting forth the whole number of districts in their townships, the amount of money raised and received for township and district libraries, and such other items as shall from year to year be required by the Superintendent of Public Instruction, together with the several particulars set forth in the reports of the school directors for the preceding year; and the township clerk shall, within ten days thereafter, forward two copies of the same to the secretary of the county board of school examiners, and file the other copy in his office.*

Disposition of reports.

(§56.) SEC. 4. It shall be the duty of the school inspectors, before making their annual report, as required by the preceding section, to examine the list of legally qualified teachers on file in the office of the township clerk, and if in any school district a school shall not have been taught for the time required by law during the preceding school year by a legally qualified teacher, no part of the public money shall be distributed to such district, although the report from such district shall set forth that a school has been so taught; and it shall be the duty of the board to certify to the facts in relation to any such district in their annual report.

Inspectors to examine list of qualified teachers.

See § 124, Subd. 6.

To report districts not employing such.

*As amended by Act No. 9, session laws of 1883, and Act No. 96, session laws of 1886. (53)—When the inspectors fail to elect a chairman within twenty days after the first Monday of April, I am of the opinion that the organization can be perfected after such date by the election of a chairman, and that failure to comply with the law referred to, does not preclude a legal organization thereafter.—*Taggart, Atty. Gen., May 20, 1886.*

* Amended by Act No. 206, Public Acts of 1887.

Inspectors to
render account
to township
board.

inspectors.
See App. A., ¶ 1.

(§58.) SEC. 6. The whole number of meetings of the township board of school inspectors at the expense of the township, during any one school year, shall not exceed eight; but this shall not be construed to prevent said board holding further meetings in case of necessity, provided no expense to the township be incurred.

(§61.) SEC. 9. Each township clerk shall cause a map to be made of his township, showing by distinct lines thereon the boundaries of each school district, and parts of school districts therein, and shall regularly number the same thereon as established by the inspectors. One copy of such map shall be filed by the said clerk in his office, and the other copy he shall file with the supervisor of the township; and within one month after any division or alteration of a district, or the organization of a new one in his township, the said clerk shall file a new map and copy thereof as aforesaid, showing the same.

He shall also certify to the supervisor the amount to be assessed upon the taxable property of any school district retaining the district school-house or other prop-

erty, on the division of the district, as the same shall have been determined by the inspectors, and he shall also certify the same to the director of such district, and to the director of the district entitled thereto.

(§63.) SEC. 11. On receiving notice from the county treasurer of the amount of school moneys apportioned to his township, the township clerk shall apportion the same amount to the several districts therein entitled to the same, in proportion to the number of children in each, between the ages of five and twenty years, as the same shall be shown by the annual report of the director of each district for the school year closing prior to the May apportionment.*

TOWNSHIP SUPERVISOR AND TREASURER.

(§65.) SEC. 13. It shall be the duty of the supervisor of the township to assess the taxes voted by every school district in his township, and also all other taxes provided for in this act, chargeable against such district or township, upon the taxable property of the district or township respectively, and to place the same on

Assessment and collection of district taxes.

See § 145.

*As amended by Act No. 92, Public Acts of 1837.

(§65.) A supervisor in levying school taxes erroneously included a part of the territory of one district in an adjoining district and when the tax was collected it was paid to the district in which the supervisor had included the territory in question, and not to the district in which the territory belonged. These proceedings on the part of the supervisor were clearly illegal, and the collection thereof could have been successfully resisted, or if the taxes had been paid under protest the parties paying could have recovered the amount thus unlawfully collected. It has been held by the Supreme Court that acquiescence in and payment of an illegal tax, estops the taxpayer from afterwards complaining of it, but the payment of an illegal tax, if refused, cannot be enforced—(*Wattles vs. City of Lapeer*, 40 Mich., 625. The People ex. rel. *Gebhart vs. East Saginaw*, 30 Mich., 336). The taxes thus illegally assessed do not belong to either school district, therefore the one cannot sue the other for the recovery of such taxes improperly paid. It is not the money of the district in whose hands it now is, but it is an illegal tax collected from individuals, paid voluntarily and without protest and therefore cannot be collected back, for the Supreme Court in the case cited (40 Mich., 625), say: "If the people taxed acquiesce and pay these taxes they may not afterwards be heard to complain, but if they refuse, the courts have no power to compel them."—*Van Riper, Atty. Gen., July 24, 1882*.

(§65.) The only statute I notice relative to the assessment of school taxes is section 5090 Howell's Statutes, and subsequent sections. They are to be assessed upon the taxable property of the districts or township. I suppose the personal property of residents of the district, together with the real estate of each resident within the district, would properly be taxed to each individual, notwithstanding the fact that some of his personal property was without the district and within the township. If the personalty was without the township and of that character to be assessable to another township another rule would apply. I do not think sections 10 and 11, Laws of 1885, applicable to school districts, or that they affect such taxes unless the property is in another township from where the party to be assessed resides.—*Taggart, Atty. Gen.*

Assessment of one-mill tax. How applied.	<p>(§66.) SEC. 14. The supervisor shall also assess upon the taxable property of his township one mill upon each dollar of the valuation thereof in each year, and report the aggregate valuation of each district to the township clerk, who shall report said amount to the director of each school district, in his township, or to the director of any fractional school district, a portion of which may be located in said township, before the first day of September of each year, and all moneys so raised shall be apportioned by the township clerk to the district in which it was raised; and all money collected by virtue of this act during the year on any property not included in any organized district, or in districts not having, during the previous school year, three months' school in districts having less than thirty children, or five months' school in districts having thirty and less than eight hundred children, or nine months' school in districts having eight hundred, or more children, as shown by the last school census, shall be apportioned to the several other school districts of said township, in the same manner as the primary school interest fund is now apportioned. All moneys accruing from the one mill tax in any township, before any district shall have a legal school therein, shall belong to the district in which it was raised, when they shall severally have had a three months' school by a qualified teacher.*</p>
When forfeited by districts.	<p>(§67.) SEC. 15. The amount to be assessed upon the taxable property of any school district retaining the school-house or other property, on the division of a district, as the same shall have been determined by the inspectors, shall be assessed by the supervisor in the same manner as if the same had been authorized by a vote of such district; and the money so assessed shall be placed to the credit of the taxable property taken from the former district, and shall be in reduction of any tax imposed in the new district on said taxable property for school district purposes: <i>Provided</i>, That if the district retaining the school-house shall vote to pay, and shall pay, before said taxes are assessed, any portion of said amount to the new district, said amount, as shall be certified by the moderator and director of the new district to the supervisor, shall be deducted from the amount to be assessed as provided in this section. When collected, such amount shall be paid over to the assessor of the new district, to be applied to the use thereof in the same manner, under the direction of its proper officers, as if such sum had been voted and raised by said district for building a school-house or other district purposes.</p>

by the district board to the township clerk of each township in which such district is in part situated, and by such township clerks to the supervisors of their respective townships, and it shall be the duty of each of said supervisors to certify to each other supervisor interested the amount of taxable property in that part of the district lying in his township: *Provided*, That when there exists a manifest difference in the valuation of property assessed in fractional districts, composed of territory in adjoining townships or counties, such valuation shall be equalized for this specific purpose by the supervisors of the townships interested, at a joint meeting held for that purpose, on application of either of the supervisors of said townships. And such supervisors shall respectively ascertain the proportion of such taxes, including mill tax, to be placed on their respective assessment rolls, according to the amount of taxable property in each part of such district. And if said supervisors cannot agree as to the proportion of such taxes to be placed on their respective assessment rolls, a supervisor from an adjoining township shall be called to meet with said supervisors in said fractional district and assist in equalizing said valuation. Said supervisor to be paid at the rate of three dollars per diem for the time necessarily employed in attendance at such meeting of the supervisors, and all necessary traveling expenses, by the townships in interest.*

Proviso—how equalized.

(§69.) SEC. 17. The supervisor, on delivery of the warrant for the collection of taxes to the township treasurer, shall also deliver to said treasurer, a written statement of the amount of school and library taxes, the amount raised for district purposes on the taxable property of each district in the township, the amount belonging to any new district on the division of the former district, and the names of all persons having judgments assessed under the provisions of this act upon the taxable property of any district, with the amount payable to such person on account thereof.

(§70.) SEC. 18. The supervisor of each township, on the delivery of the warrant for the collection of taxes to the township treasurer, shall also deliver to said treasurer a written statement, certified by him, of the amount of the one-mill tax levied upon any property lying within the bounds of a fractional school district, a part of which is situate within his township, and the returns of which are made to the clerk of some other township; and the said township treasurer shall pay to the township treasurer of such other township the amount of the taxes so levied and certified to him for the use of such fractional school district.

(§71.) SEC. 19. Whenever any portion of a school district shall be set off and annexed to any other district, or organized into a new one, after a tax for district purposes other than the payment of any debts of the district shall have been levied upon the taxable property thereof, but not collected, such tax shall be collected in the same manner as if no part of such district had

(§73.) SEC. 21. Either party may challenge any of the said jurors for the same causes as in civil actions. If more than twelve of said jurors in attendance shall be found qualified to serve as jurors, the officer in attendance, and who issued the summons or *venire* for such jury, shall strike from the list of jurors a number sufficient to reduce the number of jurors in attendance to twelve; and in case less than twelve of the number so summoned as jurors shall attend, the sheriff or constable shall sum-

mon a sufficient number of freeholders to make up the number of twelve; and the officer issuing the summons or *venire* for such jury, may issue an attachment for any person summoned as a juror who shall fail to attend, and may enforce obedience to such summons, *venire*, or attachment, as courts of record, or justices' courts are authorized to do in civil cases.

(§94.) SEC. 6. The twelve persons selected as the jury shall be duly sworn by the judge, commissioner, or justice in attendance, faithfully and impartially to inquire, ascertain and determine the just compensation to be made for the real estate required by such school district for such site, and the necessity for using the same in the manner proposed by such school district; and the persons thus sworn shall constitute the jury in such case. Subpoenas for witnesses may be issued, and their attendance compelled by such circuit judge, commissioner, or justice in the same manner as may be done by the circuit court or by a justice's court in civil cases. The jury may visit and examine the premises, and, from such examination and such other evidences as may be presented before them, shall ascertain and determine the necessity for using such real estate in the manner and for the purpose proposed by such school district, and the just compensation to be made therefor; and if such jury shall find that it is necessary that such real estate shall be used in the manner or for the purpose proposed by such school district, they shall sign a certificate in writing, stating that it is necessary that said real estate, describing it, should be used as a site for a school-house for such district; also stating the sum to be paid by such school district as the just compensation for the same. The said circuit judge, circuit court commissioner or justice of the peace, shall sign and attach to, and indorse upon the certificate thus subscribed by the said jurors, a certificate stating the time when and the place where the said jury assembled, that they were by him duly sworn as herein required, and that they subscribed the said certificate. He shall also state in such certificate who appeared for the respective parties on such hearing and inquiry, and shall deliver such certificates to the director, or to any member of the district board of such school district.

(§96.) SEC. 8. In case the owner of such real estate shall be unknown, insane, *non compos mentis*, or an infant, or cannot be found within such county, it shall be lawful for the said school district to deposit the amount of such judgment with the county treasurer of such county, for the use of the person or persons entitled thereto; and it shall be the duty of such county treasurer

to receive such money, and at the time of receiving it, to give a receipt or certificate to the person depositing the same with him, stating the time when such deposit was made, and for what purpose; and such county treasurer and his sureties shall be liable on his bond for any money which shall come into his hands under the provisions of this act, in case he shall refuse to pay or account for the same, as herein required: *Provided*, That no such money shall be drawn from such county treasurer, except upon an order of the circuit court, circuit court commissioner or judge of probate, as hereinafter provided.

Upon satisfactory evidence being presented to the circuit court of the county where such real estate lies, that such judgment, or the sum ascertained and determined by the jury as the just compensation to be paid by such district for such site, has been paid, or that the amount thereof has been deposited according to the provisions of the preceding sections, such court shall, by an order or decree, adjudge and determine that the title in fee of such real estate shall, from the time of making such payment or deposit, forever thereafter be vested in such school district and its successors and assigns, and shall, in and by such order or decree, award to such school district a writ of possession for the recovery of the possession of such real estate; a copy of which order or decree, certified by the clerk of said county, shall be recorded in the office of the register of deeds of such county, and the title of such real estate shall thenceforth, from the time of making such payment or deposit, be vested forever thereafter in such school district, and its successors and assigns in fee.

(§99.) SEC. 11. In case the jury hereinbefore provided for shall not agree, another jury may be summoned in the same manner, and the same proceedings may be had, except that no further notice of the proceedings shall be necessary; but instead of such notice, the judge, commissioner or justice may adjourn the proceedings to such time as he shall think reasonable, not exceeding thirty days, and shall make the process to summon a jury returnable at such time and place as the said proceedings shall be adjourned to. Such proceedings may be adjourned from time to

And the said circuit judge shall, by decree, settle their several claims in accordance with the rights of the parties respectively, and may divide the sum awarded by said jury between the claimants as in his judgment will be equitable and right, rendering against said district a separate judgment for each of the amounts so awarded.

(§104.) SECTION 1. Whenever any five or more tax-paying electors, having taxable property within any school district, shall feel themselves aggrieved by any action, order, or decision of the board of school inspectors, with reference to the formation, or any division, or consolidation of said school district, they may, at any time within sixty days from the time of such action on the part of said school inspectors, appeal from such action, order, or decision of said board of school inspectors to the township board of the township in which such school district is situated, and in case of fractional school districts notice of such appeal shall be served on the clerk of the joint boards of school inspectors who have made the decision appealed from, who shall, within five days, give notice thereof to the township boards of the several townships in which the different parts of said fractional school district are situated, who shall have power, and whose duty it shall be, acting jointly, to entertain such appeal, and review, confirm, set aside, or amend the action, order, or decision of the board of school inspectors thus appealed from; or if in their opinion the appeal is frivolous or without sufficient cause, they may summarily dismiss the same.¹

(§105.) SEC. 2. Said appellants shall, before taking such appeal, make out and file with the board of school inspectors, or in case of fractional school districts to the clerk of the joint boards of school inspectors, a written statement, to be signed by said appellants, setting forth in general terms the action, order, or decision of the board or boards of school inspectors with respect to which the appellants feel themselves aggrieved, and their demand for an appeal therefrom to the township board or boards of said township or townships, and shall also cause to be executed and signed by one of their number, and by two good and sufficient sureties to be approved by the clerk of said board or joint boards of school inspectors or by any justice of the peace of the township, and filed with the clerk of said board or joint boards of school inspectors, a bond to the people of the State of Michigan in the penal sum of two hundred dollars, conditioned for the due prosecution of said appeal before said township board or boards acting jointly, and also, in case of the dismissal of said appeal as frivolous by said township board or joint boards, for the payment by said appellants of all costs occasioned to the township or townships by reason of said appeal.²

(§106.) SEC. 3. Upon the filing of such appeal papers and bond with the said board or joint boards of school inspectors, the said board or joint boards of school inspectors shall, within ten days thereafter, make out and file with the clerk of said township in

CHAPTER X.

GRADED SCHOOL DISTRICTS.

(§107.) SECTION 1. Any school district containing more than one hundred children between the ages of five and twenty years may, by a two-thirds vote of the qualified electors present at any annual or special meeting, organize as a graded school district: *Provided*, That the intention to take such vote shall be expressed in the notice of such annual or special meeting. When such change in the organization of the district shall have been voted, the voters at such annual or special meeting shall proceed immediately to elect by ballot from the qualified voters of the district one trustee for the term of one year, two for the term of two years, and two for a term of three years, and annually thereafter a successor or successors to the trustee or trustees

See App. A., §§ 139, 143.

Proviso—notice of meeting.

Election of trustees.

Term of office.

(§107.) Elections held in graded school districts wherein two trustees were balloted for at the same time, on joint ballot, are void, and no person has been legally elected. It has frequently been held that, if a ballot contains the names of two persons for the same office, when but one is to be chosen, it is bad as to both. The election of two trustees on two separate ballots, would be good as to the first one chosen, and void as to the second. As it is the policy of the law to uphold elections where the choice of the people can be ascertained, the one first elected having received the necessary vote is the choice of the electors, and such action of the district is valid as to him. As the amendment of 1883 does not repeal section 1, act X, only so far as it is in conflict therewith, and as both statutes provide that trustees shall hold over until their successors shall be elected and qualified, the old board remain in office until a valid election is had. The law makes no provision for a special election for trustees of graded schools, hence where the regular election was void there can be no special election to fill the office. No election can be held without a law providing therefor, hence the law that both trustees hold over is in full force wherever there was a failure to elect, as provided by statute. Section 2, chapter 3, of the school law applies only to officers of district schools, and not to trustees of graded schools, and only permits a special election where two vacancies exist. The trustees have no power under section 2, chapter X, to appoint a trustee where there has been a failure to elect, but can only fill vacancies, as in case of death, resignation or removal.—*Van Riper, Atty. Gen., July 26, 1883.*

whose term of office shall expire: *Provided also*, In all districts organized prior to the year eighteen hundred and eighty-three there shall be one trustee elected at the annual meeting for the year eighteen hundred and eighty-three, and thereafter there shall be elected a trustee or trustees in the manner aforesaid, whose term of office shall be three years, and until his or their successor or successors shall have been elected and filed his or their acceptance: *Provided also*, That in the election of trustees, and all other school officers, the person receiving a majority of all the votes shall be declared elected.^a

Officers to be elected by trustees.

(§108.) SEC. 2. Within ten days after their election such trustees shall file with the director acceptances of the offices to which they have been elected, and shall annually elect from their own number a moderator, a director, and assessor, and for cause may remove the same, and may appoint others of their own number in their places, who shall perform the duties prescribed by law for such officers in other school districts in this State, except as hereinafter provided. The trustees shall have power to fill any vacancy that may occur in their number till the next annual meeting. Whenever, in any case, the trustees shall fail, through disagreement or neglect, to elect the officers named in this section, within twenty days next after the annual meeting, the school inspectors of the township or city to which such district makes its annual report shall appoint the said officers from the number of said trustees.

Duty of trustees.

(§109.) SEC. 3. It shall be the duty of the board of trustees of any graded school district:

To classify pupils.

First, To classify and grade the pupils attending school in such district, and cause them to be taught in such schools or departments as they may deem expedient;

To establish high schools, etc.

See App. A., §§ 142, 143.

Second, To establish in such district a high school when ordered by a vote of the district at an annual meeting, and to determine the qualifications for admission to such school, and the fees to be paid for tuition in any branches taught therein;

To audit and pay director's accounts.

Third, To audit and order the payment of all accounts of the director for incidental or other expenses incurred by him in the discharge of his duties; but no more than fifty dollars shall be expended by the director in any one year for repairs of the buildings or appurtenances of the district property without the authority of the board of trustees;

To employ teachers.

See § 40.
See App. B., form 26.

Fourth, To employ all qualified teachers necessary for the several schools, and to determine the amount of their compensation, and to require the director and moderator to make contracts with

^aAs amended by Act No. 23, Session Laws 1883, and Act No. 18, Session Laws 1885.

(§ 109, paragraph four.) The question is as to whether the board of trustees of a graded school can employ a music teacher who has not passed the regular examination required of other teachers and received a certificate required by section 5153 of Howell's Statutes (Sec. 4, Chap. 11, School Laws)? It would be most difficult to imagine that an examination in the several branches and studies specified in the statutes would show sufficiently the qualifications of the applicants to teach either music or drawing. I do not think the statute applicable to such teachers nor does there appear to be any which is. The board probably has and will be held by the courts to possess such authority, still it is not a question free from doubt and additional legislation may be desirable.—*Taggart, Attorney General, July 26, 1886.*

Other duties.
See Chap. III.

(§110.) SEC. 4. No alteration shall be made in the boundaries of any graded school district, without the consent of a majority of the trustees of said district, which consent shall be spread upon the records of the district, and placed on file in the office of the clerk of the board of school inspectors of the township or city to which the reports of said district are made; and graded school districts shall not be restricted to nine sections of land.

(§112.) SECTION 1. A township library shall be maintained in each organized township, which shall be the property of the township, and shall not be subject to sale or alienation from any cause whatever. (§114.) SEC. 3. The township board of school inspectors shall have charge of the township library, and shall apply for and receive from the township treasurer all moneys appropriated for the township library of their township, and shall purchase the books and procure the necessary appendages for such library.

(§115.) SEC. 4. Said board shall be held accountable for the proper care and preservation of the township library, and shall have power to provide for the safe keeping of the same, to prescribe the time for taking and returning books, to assess and collect fines and penalties for the loss or injury of said books, and to establish all other needful rules and regulations for the management of the library, as said board shall deem proper, or the superintendent of public instruction may advise.

(§116.) SEC. 5. The board of school inspectors shall cause the township library to be kept at some central or eligible place in the township, which it shall determine; such board shall also, within ten days after the annual township meeting, appoint a librarian for the term of one year, to have the care and superintendence of said library, who shall be responsible to the board of school inspectors for the impartial enforcement of all rules and regulations lawfully established in relation to said library.¹

(§117.) SEC. 6. Any school district having a school census of not less than one hundred children, by a two-thirds vote at any annual meeting, may establish a district library, and such district shall be entitled to its just proportion of books from the library of any township in which it is wholly or partly situated, to be added to the district library, and also to its equitable share of any library moneys remaining unexpended in any such township or townships at the time of the establishment of such district library, or that shall thereafter be raised by tax in such township or townships, or that shall thereafter be apportioned to the township to the inspectors of which the annual report of its director is made.

(§118.) SEC. 7. The district board of any school district in which a district library may be established in accordance with the provisions of this act shall have charge of such library; and the duties and responsibilities of said district board in relation to the district library, and all moneys raised or apportioned for its support, shall be the same as those of the board of school inspectors are to the township library.

(§119.) SEC. 8. The school inspectors shall give in their annual report to the superintendent of public instruction, such facts and statistics relative to the management of the township library and the library moneys, as the superintendent of public instruction shall direct; and the district board of any school district having a library, shall cause to be given in the annual report of the director to the board of school inspectors, like facts and statistics relative to the district library, which items shall also be included by the said inspectors in their annual report.

(§120.) SEC. 9. In case the board of school inspectors of any township, or the district board of any school district, shall fail to make the report required by the preceding section, or in case it shall appear from the reports so made that any township or school district has failed to use the library money in strict accordance with the provisions of law, such township or district shall forfeit its share of the library moneys that are apportioned, and the same shall be apportioned to the several other townships and districts in the county as hereinafter provided: *Provided*, that in townships where the boards thereof shall determine and report to the superintendent that the public will be better served by using the said money for general school purposes, no such forfeiture shall occur.

Failure to report or illegal use of moneys to cause forfeiture of moneys thereafter.

Provided.

(§121.) SEC. 10. The superintendent of public instruction shall annually and previous to the tenth day of May, transmit to the clerk of each county a statement of the townships in his county that are entitled to receive library moneys, giving the number of children in each of such townships between the ages of five and twenty years, as shall appear from the reports of the boards of school inspectors for the school year last ending; said clerk shall file such statement in his office, and shall forthwith furnish a copy thereof to the county treasurer.

State superintendent to provide county clerk with statement.

Statement to be filed and copy given to county treasurer.

(§122.) SEC. 11. The clear proceeds of all fines for any breach of the penal laws of this State and for penalties, or upon any recognizances in criminal proceedings, and all equivalents for exemptions [exemption] from military duty when collected in any county and paid into the county treasury, together with all moneys heretofore collected and paid into said treasury on account of such fines or equivalents, and not already appropriated [apportioned], shall be apportioned by the county treasurer before the first day of June in each year, among the several townships in the county, according to the number of children therein, between the ages of five and twenty years, as shown by the statement of the superintendent of public instruction provided for in the preceding section, which money shall be exclusively applied to the support of the township and district libraries, and to no other purpose: *Provided*, That from and after January first, one thousand eight hundred and eighty-two, such money may be used for general school purposes in any township wherein the township board thereof shall so determine.

Apportionment of proceeds of penal fines.

See App. A., § 146.

How applied.

(§123.) SEC. 12. The qualified voters of each township shall have power, at any annual township meeting, to vote a tax for the support of libraries established in accordance with the provisions of this act, and the qualified voters of any school district, in which a district library shall be established, shall have power, at any annual meeting of such district, to vote a district tax for

Voters may levy tax for support of libraries.

(§121.) I am clearly of the opinion that the superintendent could make his report at any time before the first day of June, and that it would be the duty of the clerk to forward the same to the county treasurer, and that it would be his duty to make the apportionment, even if delayed beyond the time fixed by law. This, however, is with the superintendent, and it must be a very exceptional case that would justify him in a failure to comply with the clearly expressed provisions of law.

(§124.) SEC. 13. The district board of any school district may donate or sell any library book or books belonging to such district to the board of school inspectors of the township or townships in which said district is wholly or partly situated, which book or books shall thereafter form a part of the township library.

CHAPTER XII.

EXAMINATION OF TEACHERS AND SUPERVISION OF SCHOOLS.

Election of school examiners.

Term of office.

Proviso.

Duties of county clerk in relation to election, etc.

Oath of examiner to be filed.

Election of secretary of board.

(§125.) SECTION. 1. The chairmen of the boards of school inspectors of the several townships in each county shall meet at the office of the county clerk of their county on the first Tuesday in August, in each year, and elect by ballot one school examiner, who shall hold his office for two years, or until his successor shall have been duly elected and qualified: *Provided*, That in the year eighteen hundred and eighty-seven there shall be no election of examiner, but the two examiners previously elected whose terms of office shall not have expired shall hold for the unexpired portions of the terms for which they were elected. The county clerk shall be the clerk of such elections in all cases, and in case of a tie shall give the casting vote, and he shall preserve a record of such election in a book to be kept for that purpose, and shall immediately after such election notify the person so elected of his election. The school examiners shall, within ten days after receiving notice of their election, take and subscribe the constitutional oath of office, the same to be filed with the county clerk, and shall enter upon the duties of their offices on the fourth Tuesday of August following their election.*

(§126.) SEC. 2. The two school examiners elected by the township chairmen shall meet at the office of the judge of probate of the county on the fourth Tuesday of August of each year, and with the judge of probate, who shall act as a member and clerk

(§125.) The county examiner will not lose his residence or forfeit his office, by reason of the temporary removal of his family into another city or village, provided such absence is merely temporary, and the intent is to return as soon as the education of his children in the university or college is accomplished. It is the intent of the party that governs, and a man's temporary absence in another State or foreign country even for a period of years, does not change his legal domicile, provided, as before stated, that he does not relinquish his home in the one place and take it up in the other place with intent to remain in such new home.—*VanRiper, Attorney General, June 23, 1882.*

(§125.) I am of the opinion that an election of school examiner by less than a majority is not a valid election and a person elected by less than a majority is not legally elected and cannot claim to hold such office.—*VanRiper, Attorney General, Aug. 26, 1882.*

(§126.) It is made the duty of the two school examiners with the judge of probate acting as a member and clerk of the board, to employ a secretary. I do not think it was the intention of the Legislature that they should employ one of their own members as secretary; if such were the intent it would have been so expressed, as in the old law. Independent of statute the rule is pretty well settled by the courts that an official cannot, by his own vote, elect himself to any position.—*Taggart, Attorney General, Sept. 2, 1887.*

of the board for the purpose herein named, shall elect, appoint and employ a secretary of said board of examiners. The judge of probate shall, immediately after the board has appointed a secretary, file a certified statement of such fact with the county clerk, and said county clerk shall immediately notify the person appointed as secretary of his appointment, and said secretary shall, within ten days after receiving notice of his appointment, take and subscribe the constitutional oath of office, the same to be filed with the county clerk. He shall also execute a bond with two sufficient sureties, to be approved by and filed with the county clerk, in the penal sum of five hundred dollars, conditioned that he will faithfully discharge his duties according to law, and faithfully account for and pay over to the proper persons all moneys which may come into his hands by reason of his holding such office; and thereupon the county clerk shall report the name and postoffice address of such secretary to the superintendent of public instruction, and said secretary shall immediately thereafter enter upon the duties of his office. On the first day of February next after the tax shall have been levied, the director of said district may proceed to purchase the books required by the pupils of his district from the list mentioned in section one of this act, and shall draw his warrant, countersigned by the moderator, upon the treasurer or assessor of the district for the price of the books so purchased, including the cost of transportation.
Refusal or neglect of duty a misdemeanor.	(§211.) SEC. 6. If the officers of any school district, which has so voted to supply itself with text books, shall refuse or neglect to purchase at the expense of the district for the use of the pupils thereof, the text books as enumerated in section one of this act, or to provide the money therefor as herein prescribed, each officer or member of such board so refusing, or neglecting, shall be deemed guilty of a misdemeanor, and upon conviction thereof before a court of competent jurisdiction, shall be liable to a penalty of not more than fifty dollars or imprisonment in the county jail for a period not exceeding thirty days or by both such fine and imprisonment in the discretion of the court: <i>Provided</i> , That any district board may buy its books of local dealers if the same can be purchased and delivered to the director as cheap as if bought of the party who makes the lowest bid to the district board: <i>Provided further</i> , That school districts in cities organized under special charters shall be exempt from the provisions of this act, but such districts may, when so authorized by a majority vote of their district boards, submit the question of free text books to the qualified voters of said districts. If a majority of the qualified electors vote in favor of furnishing free text books, such district boards shall have authority to proceed under the provisions of this act.
Penalty.	
Proviso.	
Further proviso.	
In cities boards may submit question to voters of district.	

NOTE.

APPORTIONMENT OF SURPLUS DOG-TAX TO SCHOOL DISTRICTS.

Under the provisions of Act No. 198, Public Acts of 1877, as amended by Act No. 283 of the Public Acts of 1881, it is required that in all the townships and cities of the State there shall annually be levied and collected a tax of one dollar upon every male dog and of three dollars upon every female dog. The money thus obtained is to constitute a fund in the several townships and cities for the payment of damages sustained by owners of sheep by reason of having such sheep killed or wounded by dogs. Section six of the law referred to provides that "if money remains of such fund after satisfactory payment of all claims aforesaid in any one year over and above the sum of one hundred

dollars, it shall be apportioned among the several school districts of such township or city in proportion to the number of children therein of school age." The apportionment must be based upon the whole number of children of school age residing in the township, and include all districts whether lying wholly or partly in such township. In case of a fractional district in which the school-house is situated in a different township, the money belonging to such district must be paid over to the treasurer of the township in which the school-house is situated, and by that treasurer paid to the district, in the same way as in the case of the one-mill and other taxes.

By Act No. 214, Public Acts of 1889, it is provided that if any money remains in this fund in any city and any township or part of township adjoining thereto (the same being within one county) "after the payment of the orders payable out of the same and the amount of said money shall exceed the sum of two hundred dollars, the sum in excess of two hundred dollars shall be apportioned by said county treasurer to the said township or part of township and said city in proportion to the amount contributed to said fund during the preceding year, and the amount so apportioned to any said township or part of township, or said city, shall be respectively apportioned among the several school districts of said township or part of township and said city, in proportion to the number of children therein of school age."

APPENDIX A.

DIGEST OF DECISIONS OF THE SUPREME COURT.

I.

TOWNSHIP BOARD OF SCHOOL INSPECTORS.

¶1. The statutory notice of meetings by inspectors must be given, stating the object of the meeting. And no business at a meeting inconsistent with the notice is lawful. *Passage v. School Inspectors of Williamstown*, 19 Mich., 330.

¶2. The township board of school inspectors have no power to dissolve a school district erected by special act of the legislature, and to set back the territory into the districts from which it was taken. *School District v. Dean*, 17 Mich., 223.

¶3. On the erection and organization of a new township, the inspectors of such township may sever its territory from the school district within which it was formerly embraced, and there is no general provision of law which charges the property within the new township with the obligation to pay any debts created for school purposes, which existed at the time of the erection of the new township. *School District No. 1 of Portage v. Ryan*, 19 Mich., 203.

¶4. *Mandamus* will not be granted to disturb an apportionment made by the township board of school inspectors between different districts, acquiesced in for several years, and which if the court could change it has no proof that it ought to. *School District No. 3 of Riverside Township v. the Township of Riverside*, 67 Mich., 404.

II.

APPEALS FROM ACTION OF SCHOOL INSPECTORS.

¶5. Under the statute providing for appeals from the board of school inspectors to the township board, the approval of the appeal bond is essential to complete an appeal; and the fact that the bond was presented to the clerk of the board of inspectors, who refused to approve it because it was not witnessed, even though the objection be a frivolous one, made in bad faith and for vexation, will not render the bond sufficient without an approval, since,

under the statute, it may be approved also by any justice of the township. *Clement v. Everest*, 29 Mich., 19.

¶6. The validity of the action of school inspectors in changing the boundaries of school districts is not affected by the fact that the inspectors were interested parties as taxpayers and residents; the disabling doctrine has no application to those administrative acts which are public, and not with or between private parties. *Ibid.*

¶7. The regularity of the action of school inspectors in creating or changing school districts will not be inquired into in a collateral proceeding; their action is the exercise of a public discretionary power, which can only be reviewed, if at all, by some direct appellate process authorized by law and operating upon the proceedings themselves to affirm, reverse or change them. *Ibid.*

¶8. Parties appealing under the statute from the action of school inspectors in arranging school districts, to the township board, thereby waive those questions which require judicial review and submit themselves to the discretion of that body; and a *certiorari* to the township board does not open for review the doings of the inspectors. *Brody v. Township Board of Penn.*, 32 Mich., 272.

¶9. It was never intended that a court should exercise any of these powers of discretionary administration; and when, on such appeal, the township board acted within its jurisdiction, its discretion cannot be reviewed by the courts; and if it did not, and its acts were void, then under the statute the action of the inspectors, after ten days, is equally intact and beyond disturbance. *Ibid.*

¶10. Where, however, the township board, acting without authority, reverses the action of the inspectors, their doings may be overturned; but an order of the board affirming the action of the inspectors, whether properly or improperly, only leaves such action where it would have been without such interference. *Ibid.*

¶11. A township board has jurisdiction of appeals from decisions of the board of school inspectors fixing the amount to be paid by an old school district to a new one where the latter comprises part of the same territory, and the former retains the school property. *School District No. Five of Pine Township v. Wilcox*, 48 Mich., 404.

III.

TOWNSHIP BOARD.

¶12. An application to the township board to remove the moderator of a school district, on the ground that he persistently refuses to countersign an order drawn by the director of the district on the assessor, involves an inquiry, in which the payee named in the order is an interested party. *Stockwell v. Township Board of White Lake*, 22 Mich., 341.

¶13. A proceeding before the township board to remove an officer of a school district, is in the nature of a judicial investigation; and when one of the board is interested in the subject of the complaint, and the presence of such member is essential to the quorum, the proceedings are void. *Ibid.*

¶14. When either of the members of the township board is interested in the subject for consideration, he is not "competent or able to act," in the

sense of the statute; and such incompetency will justify the calling in of one of the remaining justices. *Ibid.*

¶15. Every special tribunal appointed by law is subject to the maxim that no person can sit in any cause in which he is a party, or in which he is interested. *Ibid.*

¶16. The removal of a school district assessor by the township board is reviewable on *certiorari*. *Merrick v. Township Board*, 41 Mich., 630.

¶17. Costs awarded by the supreme court in a proceeding by *certiorari* against persons composing a township board, to review their official acts, are to be collected like township charges, and not by execution against the officers personally. *Stockwell v. Township Board of White Lake*, 22 Mich., 341.

¶18. Proceedings by a township board to remove a school director are not invalidated by the fact that it did not meet to agree on the notice under which the proceedings were taken. *Wenzell v. Township Board of Dorr*, 49 Mich., 25.

¶19. The primary school law does not authorize the township board to remove the moderator for hiring her husband to teach the district school and agreeing to pay him more than is necessary to secure a better teacher. *Hazen v. Town Board of Akron*, 48 Mich., 188.

¶20. In providing that the school director shall keep the necessary school-house furniture in due order and condition, and that his expenses shall be subsequently audited and paid, it is not intended that money must be put into his hands beforehand. *Township Board of Hamtramck v. Holihan*, 46 Mich., 127.

¶21. The township board is exclusive judge of the facts on which it is authorized to remove a school director, and its proceedings can only be reviewed by the circuit and supreme courts on questions of law. *Ibid.*

¶22. Proceedings by a township board to remove a school director cannot properly be taken until the action of the proper authorities has been invoked by complaint of some definite violation of duty; but where the plaintiff admits the charges set up against him, and expressly desires the board to act on them without farther delay, he cannot afterwards complain that they did so. *Jeddes v. Township of Thomastown*, 46 Mich., 316.

¶23. The action of a town board in removing a school director is final, unless speedily brought up for review. *Ibid.*

¶24. The willful refusal of a school director to sign a contract made with a teacher, or to accept and file it, or draw orders for the teacher's pay while it is pending, and his obstinate neglect to furnish necessary school-house supplies, may be taken into account in proceedings for his removal. *Ibid.*

IV.

ORGANIZATION OF SCHOOL DISTRICTS.

¶25. There should be some special and extraordinary reason to justify interference by *quo warranto* with the organization of a school district, as the statutes provide a speedier remedy by an appeal from the inspectors to the township board. *Lord v. Every*, 38 Mich., 405.

¶26. When a school district had enjoyed its franchises for five years, during most of which time proceedings to inquire into the validity of the organization had been pending by *quo warranto* and writ of error instead of the speedier statutory process of appeal, the supreme court declined to review its organization on technicalities. *Ibid.*

¶27. The legal organization of a school district actually exercising its corporate powers, cannot be collaterally questioned in contesting a title based on a school tax. *Stockle et al. v. Silsbee*, 41 Mich., 615.

¶28. A *certiorari* to review proceedings whereby a new school district has been created out of old districts, must be applied for before the district has been organized and assumed the functions of a corporation; after that time the proper course is to take measures to try the legality of its corporate existence by *quo warranto*, or other direct proceeding against the alleged corporation or its officers. *Fractional School District No. 1 of Owosso, etc., v. School Inspectors of Owosso, etc.*, 27 Mich., 3.

¶29. *Certiorari* addressed to the assessor of a school district is wholly unsuited as a remedy to test the legal organization and existence of the district, as the errors, if any there are, lie back of any action of the assessor, and are to be found in the action of the township authorities. *Jaquith v. Hale*, 31 Mich., 430.

¶30. It has always been the policy of the Michigan school laws that no primary school district should contain more than nine sections of land. *Simpkins et al. v. School District No. 1 of Michigamme et al.*, 45 Mich., 559.

¶31. Township school inspectors cannot enlarge a graded school district by adding unorganized territory, though they may, with the consent of the trustees, transfer to its jurisdiction territory previously organized into primary districts. *Ibid.*

¶32. Injunction lies to restrain the sale, for school taxes, of lands unlawfully included within the taxing district. *Ibid.*

¶33. A writ of *certiorari* to bring up proceedings for the formation of a school district will not be sustained if after its issue, and without good reason, it has been allowed to sleep until the organization has been completed, a tax voted and contract made for building a school-house, and interests established which cannot be overturned without public inconvenience and injury and individual damage. *Parman v. Board of School Inspectors*, 49 Mich., 63.

¶34. Where *certiorari* issues to bring up proceedings for the formation of a school district, the papers on which it was allowed must be served with it. *Ibid.*

¶35. Where there has been actual notice of proposed proceedings by joint boards for the formation of a new school district out of several old ones, mere informalities in the issue of such notice are not jurisdictional defects; nor is the fact that it covers territory not actually taken. *Ibid.*

¶36. The statutory requirement for notice of the meeting of a township board of school inspectors to alter the boundaries of a school district, is jurisdictional, and proof of posting such notice should be filed with the clerk of the board, before any action is taken. *Coulter et al. v. Board of School Inspectors of Grant and Arthur Townships*, 59 Mich., 391.

¶37. In the absence of the consent of the owners of lands which have been taxed for building a school-house, within three years last preceding the

date of their proposed transfer to another district, such transfer is illegal; and the fact that the detached territory was not at the same time attached to another district will not legalize such transfer. *Ibid.*

¶38. The statutory requirement for notice of the meeting of a township board of school inspectors to alter the boundaries of a district is jurisdictional, and until such notice has been given, and proof of posting made, as required by law, the inspectors have no power to act. *Fractional School District No. 3 of Martin, Watson and Wayland Townships v. Boards of School Inspectors of said Townships*, 63 Mich., 611.

¶39. Where a *de facto* school district has exercised its franchises and privileges for over two years, it is presumed to have been legally organized, and it is too late to litigate that question in law or equity. *School District No. 3 of Everett Township v. School District No. 1 of Wilcox Township*, 68 Mich., 51.

¶40. The statutory provision requiring the town clerk to give notice of every meeting of the board of school inspectors of his township, existing prior to the 1881 amendment, was imperative, and the apportionment by the inspectors of the valuation of school property, on the formation of a new district, at a meeting held without such notice, was void; and a bill in equity will lie in the name of the old district to enjoin the assessment and collection of a tax to satisfy the amount so apportioned as its share of such valuation. *Ibid.*

¶41. A township board of school inspectors may under *one notice*, and at *one meeting*, by *separate action*, detach lands from *separate* school districts and attach them to one district. *Dozey v. The Township Board of School Inspectors of Martin Township*, 67 Mich., 601.

¶42. Where the action of a board of school inspectors in *detaching* territory from a district, without the consent of a majority of the resident taxpayers, and *attaching* it to another district, left land enough in the former for school purposes, they may afterwards consolidate such remaining territory, with the consent of its remaining tax-payers, with any other district which gives a like consent. *Ibid.*

¶43. At a school meeting to vote on the question of dissolving the district, 18 votes were cast in favor of the proposition, and 9 against it. Every person present who possessed the qualifications of a voter at any school meeting was allowed to vote, without reference to sex, or whether or not he or she was a resident tax-payer. Ten or more persons who were not resident tax-payers voted, and some of the legal tax-payers did not vote, and some were not present. *Held*, that the consent of a majority of the resident tax-payers had not been obtained as required by Howell's Statutes §5041. *Briggs v. Borden et al., School Inspectors*, 38 N. W. Rep., 712.

¶44. A bill will lie, at the suit of resident tax-payer, to restrain the board of school inspectors from selling a school-house and site, furniture, etc., under color of a void attempt to dissolve the district to which such school-house, etc., belongs. *Ibid.*

¶45. Under Howell's Statutes §5041, providing that school districts cannot be divided or consolidated without the consent of a majority of the resident tax-payers of each district, a return by the board of school inspectors, stating that the persons consenting are a majority of the resident tax-payers of the districts, is conclusive as to such fact, though the consent filed

by the districts does not state that the persons are a majority. *Gentle v. Board of School Inspectors of Colfax Township*, 40 N. W. Rep., 928.

¶46. Proceedings for organizing a new school district, taken without giving the full ten days' notice required by Howell's Statutes §5040, are not rendered valid by the filing of a consent by a majority of the citizens of each district affected, such consent being required by §5041, as the notice is a jurisdictional requirement, and the minority have a right to be heard, and a right to the full notice required. *Ibid.*

¶47. *Quo warranto* is the proper remedy to determine the legal existence of a school district, and the right of particular persons to exercise the offices of moderator, assessor, and director. *People ex rel., Roeser et al., v. Gartland, Moderator, et al.*, 42 N. W. Rep., 687.

¶48. Under Howell's Statutes §5033, providing that no school district shall contain more than nine sections of land, a district containing five full sections and eight fractional sections, the whole not exceeding in quantity of land nine full sections, is legal. *Ibid.*

¶49. The statutory provision concerning the election of school district officers by ballot is mandatory, but where such officers have been unanimously elected by *vive voce* vote at a regular meeting, no other persons claim to have been elected, and they are qualified and are acting, they will not be ousted by *quo warranto*. *Ibid.*

V.

DISTRICT MONEYS, WARRANTS, AND ORDERS.

¶50. An action for money had and received will lie in favor of a school district to recover district moneys received by its assessor, and which after expiration of his term of office he refuses on demand to pay over to his successor, and an action upon the assessor's bond is not the exclusive remedy; the bond is required as additional security, but it does not supersede the officer's individual responsibility. *Mason v. Fractional School District No. 1 of Scio and Webster*, 34 Mich., 228.

¶51. An assessor cannot lawfully withhold the district funds in his hands, when the same are properly demanded by his successor, a fortnight after the latter has been regularly elected and has accepted and qualified, upon any claim that he is entitled to be first personally notified officially of such election and acceptance; he is chargeable with notice of these facts without any personal certification thereof. *Ibid.*

¶52. An official treasurer cannot defend an action to make him turn over to his successor the funds in his official custody, upon any questions of the regularity of the proceedings whereby the funds came into his possession. *Ibid.*

¶53. The assessor of a school district is the lawful treasurer and depository of school district funds, and all moneys must pass through his hands and be paid out by him on proper orders. *School District No. 9 of Midland v. School District No. 5 of Midland*, 40 Mich., 551.

¶54. A showing of a want of funds is a complete answer to an application for *mandamus* to require an assessor of a school district to pay an order drawn on him in favor of a school teacher. *Allen v. Frink*, 32 Mich., 96.

¶55. It is not necessarily the duty of the moderator of a school district to countersign an order upon the assessor drawn by the director. He has a right to satisfy himself that the claim for which it was drawn is a valid one, and that it was drawn by the director in the proper performance of his duty. *Stockwell v. Township Board of White Lake*, 22 Mich., 341.

¶56. The disbursement of all school moneys is required by the statute to be made by orders drawn on the assessor by the director and countersigned by the moderator; and all moneys belonging to the district in the town treasurer's hands are required to be paid to the assessor on warrants drawn by the director and countersigned by the moderator. The assessor is made treasurer of the district, and required to hold all district moneys until properly drawn out by warrant. It is made the express duty of the director to draw and sign warrants upon the township treasurer, payable to the assessor, for all moneys raised for district purposes, or apportioned to the district by the township clerk, and present them to the moderator to be signed; and it is made the duty of the moderator to countersign such warrants. *Burns v. Bender*, 36 Mich., 195.

¶57. District moneys in the hands of the town treasurer are not subject to be applied to any district purpose except through the hands of the assessor. And the duty of suing to thus transfer them into the custody of the assessor, if qualified, is laid on the director; and the duty of procuring this transfer within some reasonable time is not discretionary, but absolute. The moderator is bound under ordinary circumstances to countersign all orders of the director for that purpose; and if he refuses in a proper case to do so, *mandamus* will lie to compel him. *Ibid.*

¶58. The statute making it the duty of the director to present the warrant to the moderator for signature, he may properly be a relator to obtain it by compulsion of law when refused. He is the proper custodian of the completed warrant, for the purpose of delivery to the assessor. *Ibid.*

¶59. The query is suggested, whether the assessor would not also be a competent relator. *Ibid.*

¶60. The town treasurer has no authority to make payments of district moneys even to the assessor, except upon the warrant prescribed by statute; and no payment not authorized by warrant is a valid official payment, such as to preclude the district from holding him responsible for moneys lawfully in his hands. Payments made otherwise than in the prescribed mode are made in his own wrong, and cannot diminish the fund for which he is responsible. *Ibid.*

¶61. Respondent occupying the double position of moderator and town treasurer, is not thereby authorized to set up his previous illegal disbursements of the district moneys as treasurer as an excuse for not doing his duty as moderator; his double functions will not relieve him in one capacity from doing his duty in another. *Ibid.*

¶62. Warrants drawn by the officers of school districts upon the township treasurer for school moneys are not negotiable, and the treasurer is under no obligation to pay them except to the district assessor. *Fox v. Shipman*, 19 Mich., 218.

¶63. An order drawn upon the township treasurer by the director and countersigned by the moderator of a school district, payable to A, or bearer, is void upon its face. The director has no power to draw any order on the township treasurer for any money of the district in his hands, payable to

any one but the district assessor, who is the disbursing officer of the district. *Fractional School District No. 4 of Macomb and Chesterfield v. Mallary*, 23 Mich., 111.

¶64. The statute expressly requiring the township treasurer to pay the amount of taxes raised for school purposes to the order of the school district officers, his liability therefor is distinct from his ordinary liability for township moneys, and cannot be released or in any way affected by the action of the township board. *Jones v. Wright*, 34 Mich., 371.

¶65. A township treasurer has no right to receive for school moneys anything which the law has not authorized to be so received, and if he chooses to do so and to receipt for the taxes, he must make good the amount. *Ibid.*

¶66. A town treasurer can pay school moneys only to the school district assessor, and then only on the warrant of the proper district officers. *School District No. 9 of Midland v. School District No. 5 of Midland*, 40 Mich., 551.

¶67. A school district at an annual meeting may lawfully recognize and pay equitable claims, even though they are not strictly legal demands, against it. *Stockdale v. School District No. 2 of Wayland et al.*, 47 Mich., 226.

¶68. A vote to issue school district bonds in settlement of a demand, if in excess of the limit fixed by law, may be sustained up to the legal limit. *Ibid.*

¶69. A corporate act which can only be taken by a two-thirds vote, cannot be rescinded by a bare majority. *Ibid.*

¶70. School orders, payable to bearer, when sold, without indorsement, at a discount, and it not appearing that the vendor was asked or made any representations as to their character or consideration, it was held that in the absence of false representations or of fraud, the purchasers took them for what they were worth, and had no cause of action against the vendor. *White et al. v. Robinson*, 50 Mich., 73.

¶71. A *mandamus* will lie to compel a township treasurer to pay to the assessor of a school district so much of the money in his hands as is covered by the warrant of the director of the district drawn in favor of the assessor and in proper form, even though it does not specify a precise sum but is for all such money in his hands as was raised for the purposes of the school district and belonged thereto. *Bryant v. Moore*, 50 Mich., 225.

¶72. The custodian of public funds is bound to make payments on a proper warrant to the extent of the moneys lawfully in his hands, and cannot refuse on the ground that his right to the custody of the remainder is disputed. *Ibid.*

¶73. *Mandamus* to compel the payment of money may be granted so far as concerns a portion of the demand, while as to the rest the application is dismissed. *Ibid.*

¶74. When the moderator and assessor of a school district are sued upon an order signed by them, a finding that it was signed on a false and fraudulent statement that the school director approved and would sign it, and on condition that it should be of no force unless he did sign it, and the farther finding that there was no purpose to contract except for the district, defeats an action thereon in the absence of any showing of subsequent action creating contract relations, or of any action by defendants, taken with a knowledge of the facts and estopping them personally. *Kane v. Stowe*, 50 Mich., 317.

¶75. *Mandamus* to compel a school district assessor to pay a school order was allowed where the court was satisfied there was no valid defense. *Martin v. Tripp*, 51 Mich., 184.

¶76. Interest from the time of demand may be allowed in granting *mandamus* for the payment of a school order when it is such a settled demand as would sustain a recovery of interest at law. *Ibid.*

¶77. *Mandamus* will lie on relation of a school district assessor to compel the clerk of a township to which the district formerly belonged, to certify to the supervisor of the township to which it now belongs the amount ascertained by the school inspectors as due to the new district from what remained of the old district out of which it was erected. *Ramsey v. Clerk of Everett Township*, 52 Mich., 344.

¶78. A town treasurer refusing to pay a warrant drawn in favor of the assessor, whose official character is not questioned, on the ground that the moderator, who has been recognized as such by the other district officers, is not a legal officer, assumes a serious responsibility. The court issued a *mandamus* requiring the town treasurer to pay the order. *School District No. 8 of Tallmadge Township v. Root, Town Treasurer*, 61 Mich., 378.

VI.

TEACHERS' CONTRACTS AND CERTIFICATES.

¶79. When a contract for hiring a teacher has been signed by the director of the school district and by the teacher, and the moderator writes upon it "approved," and subscribes it as moderator, such approval and signature will be treated as in legal effect a signature of the contract by such moderator. *Everett v. Fractional School District No. 2 of Cannon*, 30 Mich., 249.

¶80. The provision of the statute that the contract for hiring a school teacher shall require the teacher to keep a correct list of the pupils, and the age of each attending the school, etc., imposes the duty upon the teacher of keeping such list, and this becomes in legal effect a part of his contract, whether the written contract expressly stipulates for it or not. *Ibid.*

¶81. The provision of the statute requiring the keeping of a list of pupils, etc., to be inserted in the contract is merely directory, and does not render invalid a contract from which such requirement has been omitted, provided it be good in other respects and entered into in good faith. *Ibid.*

¶82. A school district is a municipal corporation and cannot be garnished even by its own consent, unless the debtor also consents. *School District No. 4 of Marathon v. Gage*, 39 Mich., 484.

¶83. It is against public policy to allow the wages of persons in public employments to be reached by garnishment. *Ibid.*

¶84. School management should always conform to those decent usages which recognize the propriety of omitting to hold public exercises on recognized holidays; and it is not lawful to impose forfeitures or deductions for such proper suspension of labor. All contracts for teaching during periods mentioned must be construed of necessity as subject to such days of vacation, and there can be no penalty laid upon such observances, in the way of forfeitures or deductions of wages. *School District No. 4 of Marathon v. Gage*, 39 Mich., 484. [NOTE.—The legal holidays established by statute are New

Year's day (January 1), Washington's birth-day (February 22), Decoration day (May 30), Independence day (July 4), Christmas day (December 25), and any day appointed by the president or governor as a day of fasting and prayer, or of general thanksgiving. Whenever a legal holiday falls on Sunday, the Monday next succeeding is to be observed instead. *Act No. 124, Laws of 1865, as amended by Act No. 163, Laws of 1875, and Act No. 208, Laws of 1881.*]

¶85. If a teacher is employed for a definite time, and, during the period of his employment, the district officers close the schools on account of the prevalence of contagious diseases, and keep them closed for a time, and the teacher continues ready to perform his contract, he is entitled to full wages during such period. The act of God is not an excuse for non-performance of a contract unless it renders performance impossible; if it merely makes it difficult and inexpedient, it is not sufficient. Although under such circumstances it is eminently prudent to dismiss school, yet this affords no reason why the misfortune of the district should be visited upon the teacher. *Dewey v. Union School District of Alpena*, 43 Mich., 480.

¶86. The statute empowers the board of trustees of a graded school district to employ all teachers necessary, and what teachers are necessary is left to be decided by the sound discretion of the trustees. The making of a contract with a teacher is within the authority of a board of trustees, and, when made, neither the trustees nor the voters at an annual meeting have power to impair its obligation. *Tappan v. School District No. 1 of Carrollton*, 44 Mich., 500.

¶87. In a suit by a teacher on a contract, the plaintiff is not bound to produce the contract as proof of her certificate of qualification, and it is not error to allow her to give parol proof that she has one. *School District No. 1 of Manistee Township v. Cook*, 47 Mich., 112.

¶88. In an action by a teacher on a contract, where it was alleged as error that the contract was allowed in evidence without proof that those who acted for the school district in making it were not authorized, it was held that this allegation did not sufficiently present the objection that the officers of the district were not competent to bind it by a contract extending beyond the current year, especially as there was evidence that the officers were in possession and presumptively competent, and there was no evidence that they were not authorized to employ teachers. *Ibid.*

¶89. A school teacher cannot be lawfully employed excepting at a meeting of the board. *Hazen v. Lerche*, 47 Mich., 626.

¶90. A contract with a teacher, if signed by a majority of the board, is presumptively valid on its face and admissible in evidence without further proof. The payment by the assessor, without objection, of orders drawn on him by the director and moderator for salary of teacher estops the district from denying validity of contract under which such services were rendered, and amounts to a ratification of the contract, and direct proceedings by the district board are not essential to such ratification. *Crane v. School District No. 6 of Bennington Township*, 61 Mich., 299.

¶91. A teacher's contract is sufficiently executed if signed by the director and assessor. Simultaneous signing is not necessary. *Halloway v. School District No. 9 of Ogden Township*, 62 Mich., 153.

¶92. School district officers should know under what authority a teacher assumes to act, and cannot, by failing to hold meetings, set up their own

wrong as a defense to an honest claim. A contract signed by the required number of officers, under which the teacher is permitted to teach with knowledge of the entire board, will be presumed valid. A contract valid on its face and fully performed, with acquiescence of all concerned, cannot be repudiated. *Ibid.*

¶93. Although Howell's Statutes §4969, declares that a certificate from the state normal school shall serve as a certificate of legal qualification to teach when filed in the county, city, township or district, failure to file it until after making a contract to teach is no defense to an action for salary earned after it was filed. *Smith v. School District No. 2 of Pleasant Plains*, 39 N. W. Rep., 567.

¶94. The general policy of the school law is that schools shall be taught by qualified teachers, but necessities may arise where this cannot be done. A district may be unable to find a qualified teacher. Where the employment of an unqualified teacher is a necessity, the school district is authorized to employ one who has not the proper certificate, if the school board are satisfied that the teacher is otherwise qualified, and to pay such teacher out of the moneys belonging to the district. But the primary school moneys and mill tax cannot be applied to that purpose. *State ex rel. Hale v. Risley, Moderator*, 37 N. W. Rep., 570.

¶95. Under Howell's Statutes §5154, which provides that the secretary of the board of school examiners shall have power to grant special certificates of qualification to teachers, which shall not continue in force beyond the next public examination by the board, the secretary has no power four days after such examination, to grant a special certificate to a person who had been teaching under a special certificate granted by the secretary, but who failed to pass the public examination. *Lee v. School District No. 2 of Alcona Township*, 38 N. W. Rep., 867.

¶96. The fact that a third person, at a public examination of teachers, acted with a majority of the board of examiners in conducting the examination, does not invalidate the proceedings, and a person who failed to pass cannot complain where it does not appear that such third person had anything to do with her failure to get a certificate. *Ibid.*

VII.

LIABILITIES OF DISTRICTS.

¶97. The director of a school district is not legally entitled to compensation from the district for his services. *Hinman v. School District No. 1*, 4 Mich., 168. [NOTE.—The law is since changed so as to authorize compensation to be voted by the district. *General School Laws of 1889*, §27.]

¶98. Where two districts are united under the statute, the new district is alone liable for all the former debts of each; and a judgment afterwards rendered against one of the former districts is a nullity. *Brewer v. Palmer*, 13 Mich., 104.

¶99. Charts or cards containing the multiplication table, practical forms of business contracts, and also brief mention of prominent historical events, and designed for use in school-rooms, are held not to be necessary appendages for the school-house, within the meaning of the statute, such as the director

is required to provide. *Gibson v. School District No. 5 of Vevay*, 36 Mich., 404.

¶100. There was no such necessity for the purchase of these charts as would bring the case within the principles of *School District v. Snell* (See ¶103), 24 Mich., 350. *Ibid.*

¶101. The purchase of these charts by the director, without instruction from the district board, being unauthorized and void as to the district, his retention of them, and occasionally placing them in the school-house, could not operate as a ratification by the district of his unauthorized purchase. *Ibid.*

¶102. Orders due from one district to another are not enforceable by *mandamus* at the suit of one to whom they have been assigned. *Maltz v. Board of Education*, 41 Mich., 547.

¶103. Where the officers of a school district purchased for the district a set of bound books and some blanks, suitable for the purposes of the district, at their fair value, and while the district was not properly supplied with such materials, in the absence of any showing that the discretion of such officers was abused or exceeded, the district is liable. *School District No. 4 of Easton v. Snell*, 24 Mich., 350.

¶104. One school district that has wrongfully received money belonging to another cannot, in an action by the latter to recover it, require any strict proof of the regularity of the proceedings authorizing it to be collected. *School District No. 9 of Midland v. School District No. 5 of Midland*, 40 Mich., 551.

¶105. Where a school district is parceled out among three other existing districts, the latter cannot be held jointly liable for a debt of the former district; whatever they are bound to pay must be a several, and not a joint obligation. *Halbert v. School Dists., etc.*, 36 Mich., 421.

¶106. The statute having confided the management of suits brought against a school district to the assessor when no other direction has been given by the voters in district meeting, the moderator and director, though constituting a majority of the district board, have no authority to take the defense of a suit from the assessor; the control of suits is not among the powers or duties confided by the statutes to the district board. *School District No. 4 of Rush v. Wing*, 30 Mich., 351.

¶107. The suggestion that the action of the assessor in this case was such as to be evidence of an adverse interest is disregarded; such a suggestion might be made in any case where the assessor had refused to yield his legal authority to another. *Ibid.*

¶108. A judgment for costs against the district on the dismissal of an appeal taken in the name of the district by the director, without the authority or assent of the assessor, on the ground that the district had not appealed, is held to be erroneous. *Ibid.*

¶109. Costs are not awarded against the school district in this court, on a writ of error brought without authority of the assessor, to review such dismissal. *Ibid.*

¶110. A *mandamus* will lie to compel a school district to pay orders issued by it, even though the district has since been subdivided, where statutory provision for distributing the original liability has not been carried out. *Turnbull v. Board of Education*, 45 Mich., 496.

¶111. Interest upon orders issued by a school district is denied upon granting a *mandamus* to compel their payment if no authority has been given to impose it. *Ibid.*

VIII.

TUITION OF NON-RESIDENT PUPILS.

¶112. Before any action can be maintained under the statutes, for the tuition of non-resident pupils, the district board must first fix and determine the rate of tuition of such pupils; and this should be by resolution of the board, properly recorded by the director in the records of the district; and the fact that such action has been taken, cannot be shown by parol, if objected to. *Thompson v. School District No. 6 of Crockery*, 25 Mich., 483.

IX.

ADMISSION OF COLORED CHILDREN TO SCHOOL.

¶113. The amendment to the primary school law of 1867—Laws of 1867, vol. 1, p. 42 [*General School Laws of 1889*, § 45,]—giving equal rights in the schools to all residents, is applicable to the city of Detroit, and precludes the board of education of that city from excluding a child from any public school on the ground of color. *People v. Board of Education*, 18 Mich., 400.

X.

SCHOOL SITES AND SCHOOL-HOUSES.

¶114. Notice of a meeting of the board of school inspectors to change a school-house site is necessary. *Andress v. School Inspectors of Williamstown*, 19 Mich., 332. (See ¶1 preceding.)

¶115. The board of inspectors have no power to change a school-house site on a written request of a majority of qualified voters of the district except in cases where the site has been fixed by them because the inhabitants were unable to agree upon a site. *Ibid.*

¶116. The jurisdiction to condemn lands for a school-house site is invoked by presenting to the proper officer a petition designating the site and showing disagreement with the owner as to compensation for it. *Smith v. School District No. 2 of Milton*, 40 Mich., 143.

¶117. In proceedings to condemn land for a school-house site, the circuit judge is not required to act in preference to a circuit court commissioner. *Ibid.*

¶118. When the owner of land that is sought for a school-house site is represented at the proceedings to condemn it, he is deemed to waive objection to jurors if he does not challenge them at the time. *Ibid.*

¶119. When the petition, notice, *venire*, finding and commissioner's certificate in proceedings to condemn land for a school-house site are regular on their face, and show full compliance with statutory requirements, the

proceedings are presumed regular, and if the parties interested were represented, and omit, on filing the proceedings, to make a sworn showing to the circuit court of any other defects—such as an omission to designate the site to the jury—they cannot rely on it thereafter. *Ibid.*

¶120. A school district contracting for the building of school-house within a stated time, is bound to furnish a suitable site therefor within such reasonable time that the constructors shall not be delayed on their part. *Todd et al. v. School District No. 1 of Greenwood*, 40 Mich., 294.

¶121. Under a contract for the construction of a school building, which provides that the work shall be “executed in the best and most workman-like manner, and agreeably to such directions as may be given from time to time” by the architect or his assistant [the local superintendent of the work, employed by the district], “and to his full and entire satisfaction, without reference thereon to any other person;” that all claims for alterations or extras were to be judged of, determined, and adjusted “solely by the superintendent,” and that payment should be made on the certificate of the architect, or superintendent, partly on monthly estimates, from time to time, and the balance on completion of the building; whatever passed under the inspection of the superintendent as the work progressed, and was in good faith approved by him, expressly or by implication, was not open to objection on the part of the district afterwards; and the certificate of the architect was not a condition precedent to the right of the contractor to recover for the work so approved. *Wilday v. Fractional School District No. 1 of Paw Paw and Antwerp*, 35 Mich., 419.

¶122. Variances from such a contract which have been treated at the time as immaterial by both parties will not afterwards be held to be departures from the contract; and what was regarded at the time as substantial compliance with its terms, constitutes a performance in law. *Ibid.*

¶123. Intentional departures from such contract, made without the consent, express or implied, of the district officers, architect, or superintendent, and in disregard of their directions, would not bar a recovery for other portions of the work which were duly approved; but the district would have a right to insist on the proper changes in the work to make it conform to the contract, and to recover any damages sustained by the failure. *Ibid.*

¶124. The mere fact of taking possession and occupying the building by the district for their schools, after the time when, by the contract, it was to be completed, would not, of itself, constitute an acceptance which should bar any claim on the part of the district to insist upon a rectification of any faults, or the payment of any damages they may have suffered by the failure in strict compliance; but the fact of making payments afterward without objection, the manner of taking possession, and whether with or without objection to any variation, would have an important bearing on the question of fact, whether any rights were intentionally waived, or whether there was a purpose to accept the building as completed in substantial compliance with the contract. *Ibid.*

¶125. *Mandamus* will not lie to compel a circuit judge to overrule his finding that the proceedings taking for the condemnation of a site for a school-house were irregular, and to compel him to enter judgment for the amount found due. *School District No. 5 of the Township of Delhi v. The Circuit Judge for Ingham County*, 49 Mich., 432.

¶126. Proceedings to condemn land for a school-house site will be quashed if there is no lawful designation thereof shown by the records. *Heck v. School District No. 2 of Essex*, 49 Mich., 551.

¶127. The school law (Act 164 of 1881) permits land to be condemned for school purposes only when a site has been lawfully determined, and it confines the power of the township inspectors to determine the site to cases where the inhabitants themselves cannot do it. And it seems that more than one site cannot be designated except by the inhabitants. *Ibid.*

¶129. The justice to whom a petition for the condemnation of land for a school-house site is presented, is not empowered to hear evidence or pass on any of the merits. *Ibid.*

¶130. Where proceedings to condemn land for a school-house site are brought before a jury, proof of a legal selection of a site must be made to them, and without it they cannot find it to be necessary to condemn it. *Ibid.*

¶131. A lease to a school district, to hold the property "during the time it is used for school purposes," is a lease in perpetuity at the will of the lessee; and as the lessee is a corporation, and words of inheritance are not required, the lease, if a present consideration is paid, really operates as a bargain and sale, and conveys a base or determinable fee. This is sufficient to satisfy the provisions of the school law, which requires a title in fee or a lease for ninety-nine years where land is to be secured for erecting a stone or brick school-house. *School District No. 5 of Delhi v. Everett*, 52 Mich., 314.

¶132. After the lapse of a dozen years it is too late to disturb the title to a school-house site by mere questions of regularity in the proceedings to designate it. *Ibid.*

¶133. A *surety* on a bond given to secure the performance of a contract for building a school-house cannot recover of the trustees of the district for moneys due him for materials furnished in the erection of the building, by reason of their failure to require the contractor to execute the statutory bond provided for by act No. 94, Laws of 1883. *Owen v. Hill et al.*, 67 Mich., 43.

¶134. Whether such trustees are liable *in any event* for such neglect of duty, query,—Sherwood and Champlin, J. J., holding them so liable, and Campbell, C. J., and Morse, J., reserving their opinion on the subject. *Ibid.*

XI.

GRADED AND HIGH SCHOOLS.

¶135. The right of school authorities in union school districts of this State to levy taxes upon the general public for the support of high schools, and by such taxation to make free the instruction of children in other languages than English, is sustained. *Stuart v. School District No. 1 of Kalamazoo*, 30 Mich., 69.

¶136. A school district which has assumed to possess and exercise all the rights and franchises of a regularly organized corporation for thirteen years, with entire acquiescence of everybody, is not liable to have the regularity of its organization, or of the legislation under which it acted, called in question thereafter in a merely private and collateral suit. *Ibid.*

¶137. Whether or not the statute of limitations applies in terms to a case where it is not so much the organization of the school district that is questioned as its authority to establish a high school and levy taxes therefor, it is strictly applicable in principle. *Ibid.*

¶138. The organization claimed and asserted by the district being that of a union school district, the presumption of organization arising from its user of corporate power must be that of such an organization as its user indicates, and whether or not an acquiescence for the statutory period of two years will raise the presumption of regular organization, one of thirteen years certainly will. *Ibid.*

¶139. The State policy of Michigan on the subject of education, and of the territory before the State was organized, beginning in 1817 and continuing down until after the adoption of the present constitution, having been reviewed and considered, the conclusion is reached that there is nothing in our State policy, or in our constitution, or in our laws, restricting the primary school districts of the State in the branches of knowledge which their officers may cause to be taught, or the grade of instruction that may be given, if the voters of the district consent in regular form to bear the expense and raise the taxes for the purpose, or to prevent instruction in the classics and living modern languages in these schools. *Ibid.*

¶140. The power to make the appointment of a superintendent of schools in a union school district is one that is incident to the full control which by law the district board has over the schools of the district. *Ibid.*

¶141. The decree below, dismissing the bill filed in this case to restrain the collection of such portion of the school taxes assessed against the complainants for the year 1872 as has been voted for the support of the high school in the village of Kalamazoo and for the payment of the salary of the superintendent, is affirmed. *Ibid.*

¶142. The board of trustees of a graded school have authority to purchase a piano for the purposes of a high school. *Knabe et al. v. The Board of Education of the City of West Bay City*, 67 Mich., 262.

¶143. When the law gives the board of trustees power to prescribe the course of studies, it gives them the authority to provide *means* to carry the power into effect. *Ibid.*

XII.

LIBRARY MONEYS.

¶144. The treasurer of the board of school inspectors, and not the township treasurer, is the proper custodian of the township library money; and the latter officer, on proper demand, is bound to pay it over to the former, and is not entitled to withhold it until it is drawn by the inspectors as needed for specific appropriations; and *mandamus* will lie to enforce the performance of this duty. *McPharlin v. Mahoney*, 30 Mich., 100.

¶145. It is a sufficient ground for an application for *mandamus* to enforce such payment, that the township treasurer, when an order was properly drawn on him by the inspectors for such money, but for an amount slightly in excess of the money in his hands, refused to pay over what he had, not upon the ground that the order was too large a sum, but upon the distinct assertion that he was himself the proper custodian of the funds, and was not

bound to pay them over except as they were required by the inspectors for specific purposes. *Ibid.*

¶146. Under the constitution and statutes, all moneys which are paid into the office of the county treasurer, on account of fines, penalties, forfeitures and recognizances, are to be credited to the library fund, and apportioned and paid over by the treasurer to the proper local officers, without any deduction for expenses, either attending the collection of the particular sums paid in, or embracing the general criminal expenses of the county. *Board of Education of Detroit v. Treasurer of Wayne County*, 8 Mich., 392.

XIII.

MISCELLANEOUS.

¶147. A communication, representing that a certain person was of bad moral character, and wholly unfit to teach and have the care of a district school, made to a township superintendent by persons interested in a particular school within his jurisdiction, for the sole purpose of preventing the issue to the person so charged of a license to teach the school, is held to be a privileged communication, and not actionable. *Wieman v. Mabee*, 45 Mich., 484.

¶148. An action will not lie on a communication relating to personal character, if made in good faith and for an honest purpose by persons concerned, and to the proper person. Nor will it lie when such a communication is untrue, if it is not maliciously made. *Ibid.*

¶149. A school director has authority, in the exercise of a sound discretion, to buy new seats for a school-house under a resolution adopted at the annual meeting of the school district "that the school board fix the school-house ready for the winter term." *McLaren v. Town Board of Akron*, 48 Mich., 189.

¶150. Act 164 of 1881, in authorizing the removal of a school district officer for illegally using or disposing of any of the public moneys entrusted to his care, does not cover a charge of conspiring with a woman moderator to hire her husband as teacher and pay him more than was necessary to obtain a good teacher. *Ibid.*

¶151. If one of two parties claiming the office of moderator obtains a judgment of ouster against co-claimant and is recognized by the director and assessor, he becomes an incumbent of the office *de facto*, and his action will be respected while in office. *School District No. 8 of Tallmadge Township v. Root, Town Treasurer*, 61 Mich., 373.

¶152. The practice of taking "informal ballots" at regular elections has no legal sanction, may mislead voters and is open to grave abuse and is so held when indulged in at annual school meeting. *Ibid.*

¶153. A line fence around the school-house site is a "necessary appendage" within the meaning of the statute. "Appendages" under the school statutes, includes fuel, fences, and necessary out-houses. The duty of the director to provide the same is not confined to the school term. They should be on hand when the school opens. It then becomes his duty to keep the same in repair, as also the school-house. *Creager v. School District No. 9 of Wright Township*, 62 Mich., 101.

¶154. Direction for the payment of primary school money apportioned by

the superintendent of public instruction as between districts, if accompanying the apportionment, cannot be altered or modified by the town clerk. *Moiles, Assessor v. Watson, Treasurer, &c.*, 60 Mich., 415.

¶155. Title of *de facto* officer will not be tried on application for *mandamus*. *Ibid.*

¶156. The mother of a child included in the school census of the district, who had resided therein more than three months, and was more than twenty-one years of age, was entitled to vote at a school meeting for school trustees, though the constitution of Michigan limits the right of suffrage to males, as the constitutional qualifications do not apply to officers for which the legislature has the right to provide, among which are school trustees. *Belles v. Burr et al.*, 43 N. W. Rep., 24.

(NOTE—This decision does not apply to cities whose charters provide that school officers shall be voted for on the same ballot with other municipal officers at a general election. See *Mudge v. Jones*, 59 Mich., 165.)

¶157. A rule by a school board that "pupils who shall in any way deface or injure the school building, out houses, furniture, maps or anything else belonging to the school, shall be suspended from school until full satisfaction is made" will not be enforced against a boy who accidentally breaks a window glass. Such a rule will not be sustained where the act was done merely through carelessness or negligence, but it must be wilful or malicious to warrant suspension from school. *Joseph H. Holman v. Trustees of District No. 5, Township of Avon*. Opinion filed Nov. 8, 1889.

APPENDIX B.

FORMS FOR PROCEEDINGS UNDER THE SCHOOL LAWS.

NOTE.—The following blank forms do not comprise a full set for all purposes under the school laws. Officers are advised, when performing any duty to which these forms are applicable, to use them in preference to others, as by this means uniformity of administration is secured, many mistakes will be prevented, and in time that which may now seem complicated and obscure will be more generally understood.

I hereby certify that the above is a faithful and correct register of said school.

NOTE.—The above register, properly certified by the teacher, should be filed with the Director of the District immediately after the close of the school term given in the twentieth column in "Days" is designed to embrace the number of days present each week, and the sum of days present during the term given in the twentieth column in "Days" (in the above form) refer to "January 6" in the left hand column under the head of "Attendance in days," etc. The stars, thus, denote the studies pursued by each pupil. APPENDIX C.

RULES FOR SCHOOL LIBRARIES.

NOTE.—The following regulations for the management of school libraries are prepared in accordance with the provisions of compiler's sections 8 and 115 of the general school laws. As given, these rules are suitable for township libraries; if it be desired to adapt them to the needs of district libraries, a few slight changes, which are readily apparent, will be necessary.

1. The librarian shall have charge of the library, and keep a catalogue of all the books belonging to the library, in a book to be provided for that purpose.

2. Every volume in the library shall have pasted on the inside of the cover a printed label, giving the name of the township, the number of the volume, and the fine for not returning it within the specified time, and for the loss of or injury to any book.

3. Every volume loaned shall be entered by the librarian in a book to be provided for that purpose, by its catalogue number, with the day on which it was loaned, the name of the borrower, and the name of the person to whom it is charged (see regulation 5), the date when returned and condition of the book, and the fine assessed for detention or injury to the book, as in the following form:

Date of Delivery.	No. of book Delivered.	To whom Delivered.	To whom Charged.	When Returned.	Condition when Returned	Fine for Detention.	Fine for Injury.
.....

4. No person shall be allowed to have more than one volume at a time, or to retain the same longer than two weeks; nor shall any person who has incurred a fine imposed by these regulations, receive a book while such fine remains unpaid.

5. Books may be loaned to minors and charged to their parents, guardians, or other persons with whom they reside, who shall be responsible for the books under these regulations.

6. On the election of a librarian, his predecessor shall, within ten days thereafter, deliver to him all the printed and manuscript books, pamphlets, papers, cases and all other property belonging to the library which was in his custody, for which the librarian shall give him a full receipt, discharging him from all responsibility therefor, except in the case herein provided; and on receiving the library property, the librarian shall carefully examine all books and other property appertaining to the library, and if any loss or injury shall have been sustained, for which a fine has not been imposed by his predecessor, or for which a fine has been imposed but not certified by him to the treasurer of the board of school inspectors, the librarian shall certify the amount thereof to said treasurer, who shall collect the same of such predecessor in the same manner as other fines are collected.

7. In case of vacancy in the office of librarian, the township clerk shall perform the duties of librarian until the vacancy is filled.

8. If any person, having held the office of librarian, shall neglect or refuse to deliver to his successor all the library property, as prescribed in the sixth regulation, the treasurer of the board of school inspectors shall forthwith commence an action in the name of the township for the recovery of the property he shall so neglect or refuse to deliver.

9. On the return of every book to the library, the librarian shall examine it carefully, to ascertain what injury, if any, has been sustained by it, and shall charge the amount of the fine accordingly.

10. The following fines shall be assessed by the librarian as herein provided:

First, For detaining a book beyond two weeks, five cents per week;

Second, For the loss of a volume, the cost of the book, and if one of a set an amount sufficient to purchase a new set;

Third, For a leaf of the text torn out or lost, or so soiled as to render it illegible, the cost of the book; and if one of a set the cost of a new set;

Fourth, For any injury beyond ordinary wear, an amount proportionate to the injury, to be estimated by the librarian, subject to revision, upon appeal, by the board of school inspectors;

Fifth, Whenever any book shall not be returned within six weeks from the time it was loaned, it shall be deemed to be lost, and the person so detaining it shall be charged with its cost in addition to the weekly fine for detention, up to the time such charge is made. But if the book be finally returned, the charge for loss shall be remitted; and the fine for not returning the book shall be levied up to the time of such return: *Provided*, That in no case shall the amount of weekly fines exceed double the cost of the book.

11. On the third Monday of August, November, February, and May, and also immediately before he vacates his office, the librarian shall report to the treasurer of the board of school inspectors the name of every person liable for fines, and the amount each of such persons is liable to pay; and said treasurer shall immediately proceed to collect the same, and if not paid, he shall forthwith bring an action in the name of the township for the recovery thereof.

12. The library fines collected shall first be applied to the replacing of lost volumes, binding pamphlets, and rebinding such books as may require it.

13. On the first Monday of September in each year, the librarian shall report to the township board of school inspectors as follows:

First, The number of volumes in the library;

Second, The number of volumes purchased during the year;

Third, The number of volumes presented during the year;

Fourth, The number of volumes loaned during the year [counting each volume once for each time it is loaned];

Fifth, The amount of fines assessed;

Sixth, Such other items as the board of school inspectors may require for their annual report to the superintendent of public instruction.
